

Legion Eyes Hall Sale Idea

By JOSEPH SEVICK

LEMONT -- American Legion Post 243 and Lemont Methodist Church became factors in village trustee deliberations over possible sale of village property to help pay for a new village hall and a library.

Trustees at a meeting Monday night heard Richard Flyte, post commander, and Pauline Dauenhauer, auxiliary president, ask for information on plans for the village hall. The Legion Dug-out is in the basement.

At the last meeting, Mayor John Kujawa asked trustees to consider sale or demolition of the hall as part of a renewed proposal for new municipal facilities.

Chester Davey, board member of the Lemont Methodist Church, wrote and said the old church building and nearby Wesley Hall will be available for sale once the new church building is occupied.

He suggested either of the church buildings would be suitable for a library or as a museum. The church predates the Civil War.

Kujawa reviewed comments made at the previous meeting. All village-owned buildings and property have

been appraised and are valued at more than \$200,000. Sale of any or all these assets would help pay for a new village hall and a library, Kujawa pointed out to the board.

A new hall could be built on presently owned village property, or elsewhere, he suggested, depending on economic factors. A library could be incorporated into a new hall, he noted.

Jack Weber, building and zoning committee chairman, is arranging a meeting with the fire protection district. Because the fire district occupies the new portion of the

village hall complex, Kujawa directed the first offer to purchase the complex be made to the firemen.

Kujawa said it would be at least a month until the firemen and village trustees could meet. The Legion would be offered the building if the firemen don't want it, Kujawa said, providing that is within state legal requirements.

Kujawa pointed out that use of the old church for a library should be considered by trustees. Joseph Schudt, engineer, was told to look at the building to see if it could hold the weight of books.

OTHER MONDAY NIGHT VILLAGE BOARD ITEMS

VILLAGE AUTO STICKERS must be displayed by Feb. 15. Police promise swift enforcement and ticketing.

THE PLAN COMMISSION will study a preliminary plat for Rosehill subdivision, a 12 acre area directly north of Kendler Park. Joseph Wohead, Glen McAdam are developers.

TRUCK PARKING on streets from 7 p.m. to 7 a.m. will still be allowed. The issue of pick-up trucks, banned from parking in a recent and widely opposed ordinance, won't be resolved until data arrives.

CROSSING GUARDS for school children are urgently needed. Three substitutes are sought. Pay is \$1.65 hourly.

STEPHEN AND McCARTHY, downhill, is dangerous says Mike Holcomb, 405 Stephen. He asks a stop sign or blinking lights to warn motorists before they smash wall at turn.

BOY SCOUTS will run the village Feb. 7 from 10 till 2.

168-LOT SUBDIVISION on former Dowd property north of 127th St., west of State St. not approved: poor sewer plan.

JUNK AUTO CRUSHER proposed by private interests for canal location will be studied by zoning committee.

Fund Is Set Up For Ten

ROMEOVILLE -- A fund to help the children of Mr. and Mrs. Frank R. Chlebowski and Mr. and Mrs. Robert Richlinski has been initiated by the citizens of Romeoville. The children of the two couples killed in an automobile accident Jan. 18 may be assisted by mailing contributions to:

St. Andrew's Rectory, 219 Arlington Dr., Romeoville, Ill. 60441; Mrs. Ralph McMillan, 629 Fenton St., Romeoville, Ill. 60441; or for the Richlinski children only to Talman Federal Savings and Loan, 5501 Kedzie Ave., Chicago, Ill. Mark contributions to Talman, "Richlinski Fund."

Ten children were left without parents in this accident. All contributions will be deeply appreciated and expended in the best interest of all the children.

Fall Claims Girl On Tour

MOKENA -- What had been a dream - vacation ended in death last Friday for 19-year-old Rosemarie Toosley, of Mokena. Touring Greece with a group from North Central College she fell from the seventh floor of an Athens hotel and was instantly killed. Athens police described the fall as accidental.

Visitation has been scheduled for today (Wednesday) from 2 until 10 p.m. at the Hirsch Memorial Chapel,

183rd and Harlem, Tinley Park. Services are tomorrow (Thursday) at 10 a.m. at St. Mary's Catholic Church, Mokena. The Rev. Cecil Koop will officiate.

It was their belief that in searching for a stairway the girl apparently mistook a window for a French door and fell out and down an air shaft.

Miss Toosley was graduated from Lincoln-Way High School in 1968. She was em-

ployed as a secretary and switchboard operator at an insurance agency in Chicago.

She had never attended North Central College but had a friend there who was making the trip and she arranged for Miss Toosley to be included in the group of 15 women and four men that were making a three-week's tour of Europe and the mid-East. She was to have returned home yesterday (Tuesday).

Miss Toosley resided with

her parents, Mr. and Mrs. Clifford Toosley at 187th and Wolf Rd. Besides them she is survived by a brother, Clifford, also of Mokena, and a sister, Mrs. Darlene Whyte, of Blue Island.

Arrangements were made through the American Embassy to have the body flown back to Chicago. Hirsch Memorial Chapel at Tinley Park is handling the arrangements for visitation and services.

Flames Drive 6 Into Cold

FRANKFORT -- A family of six were routed from their beds by fire last Saturday morning and fled into near-zero temperatures clad only in their night garments.

Lest destitute by the blaze, which was blamed on the electrical wiring, is the Elwell (Ed) Osborne family. Besides Mr. and Mrs. Osborne there are four boys,

Michael, 13, David, 11, William, 9, and Donald, 8, and two girls, Nona, 6 and Carla 9-months.

They resided in a two-story frame house on the William Beckman farm, west of the Methodist Church in Green Garden Township.

The fire was discovered around 2:30 Saturday morning and the family managed to escape without in-

jury. Frankfort and Manhattan firemen remained at the scene until 5 o'clock.

Osborne is employed at the Electromotive plant at LaGrange and in his spare time has served as maintenance man at Pleasant Hill Cemetery, Frankfort, in the spring, summer and fall.

Neighbors gave the family shelter and are gathering

clothing for the members, all of whom lost all they had. Osborne himself has a 34-inch waist and 31-inch leg measurement; Mrs. Osborne wears a size 16 dress; Michael wears a 20 shirt and has a 32-inch waist and 31-inch leg length; David wears size 14; William and Donald, size 8; Nona wears 8-year-old sizes and Carla, 18-months.

Sees 'Crisis Legislation' For Schools

By JANE WITTE

A plea for preservation and support of quality public school education -- "The great American dream" -- was voiced Friday, as official consideration is being given public support of private schools.

State Senator Harris Fawell (R-40th) in a press conference held at Holiday Inn, Glen Ellyn, said that he believes measures now before a study commission will lead to the ultimate destruction of quality education in the public schools.

The financial condition of many Illinois public school districts today is desperate, Senator Fawell pointed out, and it is the public districts which are the prime public

concern.

Lockport High School District 205 and the West Chicago High School District were two districts mentioned by Fawell as at the point of financial crisis today.

The \$38 million appropriation being considered presently by the Governor's Education Study commission should be earmarked for programs aimed at aiding ailing public schools, he indicated.

Senator Fawell lauded the private schools for the services which they perform for their students.

"But a private school is a private school," he warned. He estimates that there are 500 private schools in the State of Illinois operated by various churches and by various

private ideological groups, including the John Birch political ideology and the black separatist philosophy. Others are operating in wealthy communities and charge tuitions up to \$2,500 a year, he said.

All private schools, no matter their need or philosophy, would be equally eligible for public aid under terms presently being considered, Fawell said.

Senator Fawell attributed suburban school problems to rapidly increasing enrollments. He said he believes the Mayor of Chicago has the clout needed to get needed financial help from the State Legislature.

He said that the crisis in suburban public schools is the responsibility of the

Legislature and called for the public and the Legislature to "take a firm stance for public school education and support it."

He predicted that the public school system in Illinois is on the brink of "embarking on a whole new public school philosophy, and now we are about to make the mistake of making a duplicative educational effort."

The \$38 million cost of initial public support for private schools will soon reach the \$400 million per year level, he states. Result will be the affluent fleeing the public school systems into private schools, he stated.

The support of the proposal for public aid to private schools is strong in two areas, he said. The support

of "high state officials and the clerical" he described as "tremendous competition to the public schools."

Fawell also deplored the social implications such as increasing polarization of the population which would result if public schools would be weakened further. "Private schools segregate students in separate value categories," he said.

The Senator said that spokesmen for the Catholic church school system high in the hierarchy have assured him that failure to gain public aid for private schools will not result in a mass closing of parochial schools.

The commission studying the problem is reviewing legislation proposed in the 1969 meeting of the General

Assembly. The proposal as presented then was passed by the House and defeated in the Senate.

What route is he interested in taking instead?

He proposes "crisis legislation" to relieve conditions now apparent in districts such as Lockport and West Chicago. He favors aiding "impacted areas," districts experiencing rapid enrollment growth.

And, he states, it is possible that the State could provide 50 per cent of the cost of new school buildings.

"While I deeply appreciate the contribution that private schools make," he summed up, "I do not believe in public funding of private schools."

Derwinski Is Honored Guest At Feb. 8 Feast

LEMONT -- A wide-ranging discussion of issues of the day will feature Edward Derwinski, Republican Congressman from the 4th District, at a banquet sponsored by the Lemont Chapter of the Lithuanian-American Community.

Derwinski is representative for Lemont and other

townships of his district in the United States House of Representatives. He will respond to questions from guests following the banquet during an open discussion of issues.

Feb. 8 is the date for the dinner, which begins at 2 p.m. at Gleneagles Country Club, 123rd St. just west of Bell Rd. Drinks will be available.

Attendance is by reservation only, according to Dr. J. Briedis. He may be reached in the evening at 257-7388. During the day, persons may call for more information or to make reservations at Aldona's Department Store, 257-2175. Ask for Aldona.

"The banquet will be followed by discussions which will focus attention upon those issues which are paramount to the people of our community," said Dr. Briedis.

"Everyone is invited to attend, and your opinions are invited regarding those issues which you feel are of importance to us as Americans, and as members of our community," he concluded.

Cong. Ed Derwinski

Owners Warned

FRANKFORT -- Bought your village sticker yet? That's a question that would probably puzzle someone from a foreign land but here it is quite clear that the inquiry is concerned with the purchase of decal by an automobile owner at the village hall. Said decal is displayed on the windshield of the motor vehicle so that all the world can see that the owner of such car had paid a license fee to the municipality for the privilege of driving his car over its streets.

It really doesn't matter if the world sees or notes such sticker. It is important, however, that it should be seen by the police. The police keep track of things like that and their duty is to issue tickets to car owners who have neglected to buy their vehicle stickers.

The deadline for acquiring stickers without penalty is Jan. 31, in the Village of Frankfort. That is a Saturday and Village Clerk Walter C. Pfaff said his office would be open extra hours Jan. 31 to accommodate those who put things off until the last minute. The village hall will be open from 8 a.m. to 12 noon that day, and from 1 to 8 p.m.

Beginning Feb. 1 the price of Frankfort village stickers will double. In the case of passenger cars the fee is \$5 through Jan. 31. Beginning Feb. 1 the license fee will be \$10 for cars -- trucks run higher. Also after Feb. 1 one runs the risk of getting an arrest ticket which would mean payment of court costs and a fine, on top of paying double for the sticker.

Now that question again -- bought your 1970 village sticker yet?

Sale Is Delayed

SOUTHWEST -- Drifting roads caused postponement of an auction sale last Saturday in the Frankfort area when blowing snow made many of the east-west roads impassable.

The sale effected by the weather was that planned by Mrs. Anna Klier, whose farm is located a mile east of Center Rd. on Steger to the south of Frankfort.

Having decided to quit farming a Holstein dairy herd and a quantity of farming equipment is to go on the block. Norman Strassenberg, the auctioneer, said the sale will be held this Saturday, Jan. 25.

Scale Is Offered

LEMONT -- Anyone opening a new account with \$200 or more, or adding \$200 to an existing account, is being offered a handsome, accurate bathroom scale free at the Lemont Savings and Loan Association, 108 Stephen St.

It's part of the association's "Golden Dozen" anniversary celebration. A warm invitation has been extended to everyone to drop in any time during January and participate in the festivities. A friendly welcome awaits old depositors and new friends alike.

There is a variety of free souvenirs to choose from, and refreshments, too. Included is a Kennedy half dollar to each child born in 1958 accompanied by a parent. The association was founded in 1958.

THE SPECIAL RELIGIOUS EDUCATION GROUP, part of the CCD program in the south suburban area, provides religious instruction for retarded children.

Pictured from left John Moncek, Suzanne Slomski, Carol Kelson, Pat O'Grady, Susan Muzinski, Joseph Moncek and Michelle Gendron. Johnee is on Michelle's chair; adults are helper catechists.

Ask Deal For Waterworks

NEW LENOX -- Negotiations by the Village of New Lenox with officers of the General Waterworks, of Philadelphia, are reported in progress and village officials are hopeful they will end with the municipality getting title to the water system the eastern firm has been operating here for many years.

Mayor Joseph Hartung had a telephone conversation with M.E. Stewart, of General Waterworks, and the latter said he would forward a report on the earnings and costs of the system and that they were willing to talk with village officials relative to its purchase.

There are only a little over 100 households that are being served by the water system, it was said, but the village board would like to acquire it to give them a firmer foundation for financing a center water system for the entire community.

Mayor Hartung, who has been conferring with bankers and bond people on the financing of a village water system, explained that it would be easier to float a revenue bond issue if they had a water system and wanted the money to enlarge it, than to start from scratch.

New Lenox probably would have had its water system in operation as well as enlargement of its sanitary sewer system completed, observers say, but for delay in the bond sale thru the machinations of a few who held up action by forcing a referendum on the bonds. They were revenue bonds and not subject to referendum unless one was demanded through petition. In this case only a comparatively few signatures were needed.

By the time the election notices could be published and the other preliminary

legalities satisfied, plus the election itself, the bond market had reached such a state that the proposed New Lenox issue could not be sold.

Several months later the people of New Lenox approved a general bond issue to finance enlargement of the sewage treatment plant and other improvements to the sanitary sewer but action on the central water system had to be postponed.

Now the village is ready to proceed with plans for a water program and the village board points out that the logical step now would be to acquire the system already in operation.

Earlier the village made an offer of \$85,000 for the waterworks and the company has countered with an asking price of \$135,000. Mayor Hartung says he believes the two parties can arrive at a figure somewhere between the two given.

The village could make use of its share of the state income tax to discharge some of this obligation if a deal is made, it was said.

Other business transacted by the village board at its last meeting included discussion of plans for building Vine St. through to Wood St. from where it could connect up with Francis Rd. This would give New Lenox another north-south route. Now it only has Cedar Rd. Township Highway Commissioner Otto Bormet spoke to the village board about this road last summer. John Djerf, of Robert Hamilton Associates, village engineers, reported to the board that the state would permit the building of a concrete causeway through Hickory Creek, which would carry traffic except in occasional periods of high water.

This causeway would cost about \$12,000, it was estimated. In all building the road would cost about \$40,000, it was said, and village representatives will discuss the project with town officials with a view of sharing costs, should the road be built.

The engineer reported there is still work to be done in Kimber Drive before the village can accept the improvements in the subdivision.

Martin P. Flannagan, who was allegedly building an apartment house without having obtained a building permit, was stopped from proceeding with the work. A red tag was tacked on the building Thursday by Roy Dowle, the village business manager. Dowle, incidentally was voted an increase in salary from \$150 to \$175 a week.

Trustees Robert Wysock and Jack Batson, who comprise a committee to get plans for expanding the present village hall, said the architect has practically completed them. The village has retained Gerding Waldrum and Richards, Inc., to draft the plans. A 21x40 foot addition is to be built on the west end of the village hall. It will serve as a meeting chamber. Growth of village business makes it necessary to utilize the existing space for offices and storage of records.

Two More Victims For Hamilton Road Crossing

MOKENA -- Two Mokena girls were injured, one seriously, when the car in which they were riding was struck by a Rock Island freight train on the unguarded Hamilton St. crossing, just outside the western edge of the village, late Monday afternoon (Jan. 19).

Driver of the car and least seriously injured was Deborah Deems, 19, of 25 Elmwood Dr., Brightwood. The passenger was Jackie M. Ferro, 19, of 19440 Beechnut Dr., Arbury Hills. The Ferro girl was in the intensive care section of Silver Cross Hospital, Joliet, but was transferred to regular care Thursday.

According to the police report she has a skull fracture, a broken arm, and internal injuries that required surgery. The spleen had ruptured and there was other abdominal damage that had to be repaired. However, the day following the accident she knew her parents and said a few words.

Miss Deems has lacerations

about the head and body and numerous bruises but there were no broken bones, according to the report. She was released from the hospital last Thursday morning.

Police Chief Wayne Ryder has been urging protection for this crossing for a long time. Gates and flasher lights are needed, he believes, or at least flasher lights and a bell.

The road over the railroad tracks there runs at an angle off Francis Rd. Ryder pointed out that one has to pull out on the tracks to look backward to see approaching trains from either side of the crossing and in his opinion the crossing is extremely hazardous.

In the train-car collision last week, the automobile was crossing the tracks from the Francis Rd. side, in a southeasterly direction. The train, traveling east, was running at 45 m.p.h., according to Ryder's report.

Witnesses said that the engine whistle was sounded in short blasts several times

while the train was two or three blocks away. Then a long blast was sounded that lasted until the train was at the crossing.

Whether the occupants of the car were engrossed in conversation and with the windows closed did not hear the whistle was not learned.

That they apparently did not see or hear the train was evidenced by the fact that witnesses said the auto came up the approach at low speed, wobbled up and over the tracks into the path of the train.

The engine struck the car in the middle of the right side and shoved it along the rails for more than a block, to a point opposite the car wash building on Front St. Chief Ryder reasoned that the snow and ice along the tracks kept the car upright and enabled it to slide. Mokena firemen removed the occupants from the auto.

The accident occurred at 5:18 p.m. and tied up traffic on the railroad for over an hour.

Study Weight Limits For Frankfort

FRANKFORT -- Residents who have been campaigning to have trucks routed around the village have won a battle but how the war will end is something else.

At its last meeting the village board adopted a resolution to reduce the speed on its two blocks of Center Rd. from 30 to 25 m.p.h. and turned the matter of establishing weight limits over to a committee.

The truck controversy has been going on for some two months. Residents in the Sauk Trail - Center Rd. area have been seeking to have

trucks that use Center Rd. routed around Frankfort, via U.S. 45. Those making deliveries to or hauling freight for industries south of the E.J. & E. tracks could reach their destination, the protesters said, by using U.S. 45 and Laraway Rd.

Signs were erected urging truckers to follow that route and women in the protesting group spent many hours in icy weather handing out maps (and a plea to use the route) to truck drivers halted for the stop signs at Sauk Trail and Center.

The state made the village remove the signs at points leading into town and the

protesting group could see they weren't gaining any ground. They had been urging that the village pass an ordinance to control truck traffic but the village board pointed out that Center Rd. was a county road and that the county had removed its load limits.

Early this month Albert H. Krusemark Jr. came up with the information that the county did not maintain the two blocks of Center Rd. between the railroad tracks and Sauk Trail and, therefore, did not control it. The control lay with the village, according to County Highway Superintendent Roy

Cousins, and a letter to that effect was read at the village board meeting last week.

Village Attorney August Santoro told the mayor and trustees that the imposition of speed and weight limits was a matter of policy for the board to decide. Any restrictions, he said, would have to be reasonable if they were to stand up in court.

The two blocks in question are between sections of a road over which the village does not have control so that in imposing speed and weight limits on the two block section the village "would be doing indirectly

what it could not do directly."

The situation poses a number of problems, it was agreed, but board members hoped that they could be resolved. Trustee Lynn Kohlhausen who made the motion for adoption of the resolution setting a 25 m.p.h. speed limit and referral of the weight problem to a committee, said that he believed that any restrictions should be uniform. Trustee Howard Osmus made a second to the motion to adopt the resolution.

The residential group involved indicated disappointment in that the board had

not ordered preparation of an ordinance forthwith, setting up a definite load limit as well as a speed limit. They contend that truck use of residential streets is hazardous.

The speed limit in the ordinance will follow that given in the resolution. Figuring weight limits can be a complex procedure, it was said.

In establishing that the village has control of the controversial section of Center Rd., observers agreed, that the protesting residential group won a battle, but point out it could be a long war -- if someone should carry it into court.

9 Lemont Police Fulltime, All Have Sheriff Training

LEMONT -- For the first time Lemont has a fulltime, professionally trained police force.

Officers Larry Campbell and Edwin Brady graduated from the Cook County Sheriff's Police Training Academy Jan. 16.

When they reported for work last week, the Lemont police force numbered nine fulltime officers. All nine officers have now completed the three and a half month sheriff's training course. Four auxiliary officers back-up the regular force, for vacations and emergencies.

"This is the first time that

we have a complete, fulltime police department," Sowa said. He expects that the newer officers, working with the veteran officers on a daily basis, will develop the experience that will benefit Lemont.

"We'll develop professional policemen from that," Sowa said, adding, "To meet today's needs, you have to be professionalized."

Campbell is a Romeoville resident and a former policeman in that community. Brady is a Lemont resident and former security officer. Both are married and have families.

The two men started training at the academy at the County Building in Chicago's Loop on Sept. 29, just two weeks after they joined the Lemont force.

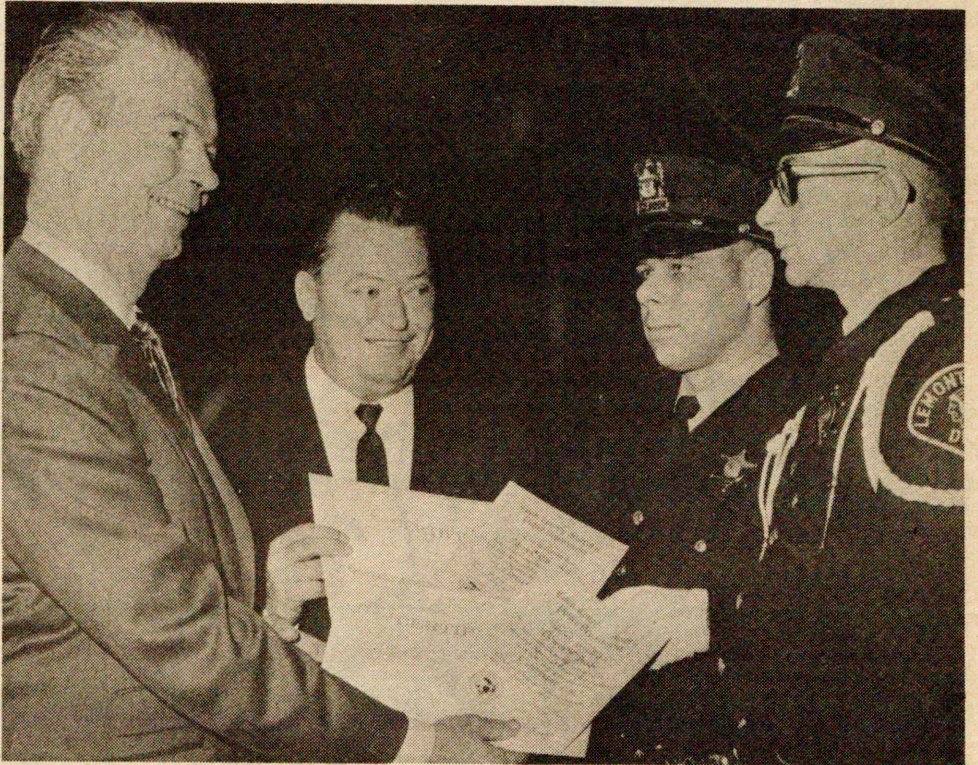

They went through 522 hours of recruit and advanced training in full-day, five day-a-week sessions.

All subjects of interest to law enforcement officers were covered. These included investigation procedures, criminal activities, reports, traffic enforcement, the law, individuals' rights, communications, drugs, civil disturbance control, gang activities, weapons, the courts and many more.

Tuition for each officer was \$2,000, with the state paying for \$500 of each officer's training under a law enforcement assistance program. The remainder was paid by Lemont.

Sowa said, "It's a big investment, but it is worth it. You are getting trained officers, and this is a program that every department needs."

The class of 51 men that included the two local officers graduated in ceremonies at Chicago's Civic Center on Jan. 16. William Scott, state attorney general, gave the graduation address. Graduation certificates were awarded by Sheriff Joseph Woods and Capt. Walter Bernard, academy commander.

SHERIFF Joseph Woods, left, and Lemont chief of police Frank Sowa, present diplomas to two Lemont police officers who have just graduated from the Cook County Police Training Academy. The officers are, from left, Larry Campbell and Edwin Brady.

WILLIAM J. SABO, left, president of First National Bank of Lockport, and Brother Paul French, F.S.C., president of Lewis College, share mutual satisfaction with the announcement of a \$5,000 contribution to the college. The bank's contribution will be used to support the educational program of the college this year.

Arbury Hills Man Dies

MOKENA -- Funeral services were conducted Monday for Edward Morrissey, 41, of 9410 Magnolia St., Arbury Hills, who was fatally injured Friday in a highway crash near 167th St. and U.S. 45, in Orland Township.

An electrician, Mr. Morrissey was driving along U.S. 45, when his car was

struck by the rear of a semitrailer that had skidded out of control, according to the police report. Morrissey was taken to Christ Community Hospital at Oak Lawn where he was pronounced dead on arrival.

The truck driver, Carl Beier, 31, 8454 86th Ave. of Justice, told state troopers

that a car ahead of him stopped suddenly and he took to the shoulder to avoid striking the vehicle. The highway was slippery and the truck skidded. Beier escaped with minor hurts.

Mr. Morrissey was a member of the Fraternal Order of Eagles at Joliet.

Besides his parents, Mr. and Mrs. Ralph Morrissey, he is survived by a sister, Lillian. A brother, Ralph Jr., preceded him in death.

The services were held from the Becvar funeral home on Kedzie Ave. at 9 o'clock to Holy Redeemer Church. Interment was in St. Mary's Cemetery.

234 Calls For Help

LEMONT -- Fire calls for the month of December have been listed by John Petruzzelli of the Lemont Fire Protection District.

Total fire calls for the period was 200, with an addi-

tional 34 emergency calls. Listed by station, the Lemont station had 130 fire calls and 25 emergency calls; the Bolingbrook station, 70 fire calls and nine emergency calls.

Giant Edison Plant Is Fighting Pollution Battle

ROMEOVILLE -- The Will County Station of the Commonwealth Edison Company, largest of all Edison System plants, has been waging a continual battle against air and water pollution for almost 40 years, according to Clifford Allen, district superintendent for the giant electricity complex.

A tour of the huge plant, under the guidance of John B. Burkhardt, plant superintendent, is an enlightening experience. Pamphlets supplied by the company indicate some ten thousand tons of coal may be burned during a 24-hour period. The

energy in this coal is capable of producing 1,125,000 kilowatts of electricity which is the maximum output of the Romeoville plant.

Four huge generators, ranging in output from 150,000 kw. to 532,000 kw., turn armatures at 3,600 revolutions per minute sending out that stuff that makes your breakfast toast, keeps that television set glowing and lights your home in the dark hours.

All this activity, needless to say, produces by-products which are unwelcome in a pollution conscious society. A typical day at the Will County Station will see a

thousand tons of flyash emitted from the bowels of the furnaces.

Electrostatic precipitators remove this undesirable particulate matter before it goes out of those four lofty smoke stacks. In the smoke stacks for the two oldest generating units, the precipitators -- the best at the time -- remove 90 per cent of the flyash. The unit on the third unit removes 97 per cent of the matter, and the precipitator unit on the newest unit removes 98 per cent of the matter. The first three precipitators are scheduled for upgrading by 1973 to 98 per cent efficiency.

ency.

Burkhardt explained that carbon monoxide, the deadly killer, is almost negligible due to near perfect combustion within the furnaces. The amount of sulfur dioxide present at the stack opening is unknown.

Water used in cooling condensation coils within the plant is taken from the canal and returned to the canal only slightly warmer than before it was used. No water is taken or discharged into the Des Plaines River.

The first generator was installed in the plant in 1955 and the last stage of development saw the installation of

the fourth generator in 1963. Lifetime expectancy for these monstrous machines is about 35 years. The high cost of keeping your refrigerator running is reflected in the \$156 million investment for the plant. More than 260 employees are required to maintain and operate the facility.

Despite the demands of 24-hour-a-day operation the plant runs surprisingly well. Everyone seems to know exactly what to do and how to do it with the least amount of confusion. The use of coal is evident within the plant, but the level of cleanliness is above that

which one might expect.

More than \$150 million has been expended by Commonwealth Edison Company in the last thirty years in an effort to completely eliminate any pollution from entering the atmosphere from their facilities. Many systems have been discarded after trial periods. Some are in use today and being improved. And still others are in the development stage.

It seems that this much maligned utility is trying to solve the problem of pollution and will eventually satisfy its many critics.

Favor Cold Water Treatment For Burns

Copyright 1970
World Book Science Service

With growing evidence that some of the newer medications for burns are only slowing the process of healing and causing secondary infections, more doctors are looking into the effectiveness of the cold water treatment.

The so-called water treatment for burns gained widespread use as an emergency measure in World War II England. German incendiary bombs spewed showers of magnesium particles which not only set fire to everything they touched but burned straight through clothing and into flesh, causing horrible wounds.

What's New In Medicine

BY BETTY JOHN

Lacking facilities for standard treatment, rescue workers plunged burning flesh into the ever-present firefighters' water buckets. The water wasn't even sterile, but it soothed the pain immediately and proved a far more effective treatment than more conventional medication. Most of the burn wounds treated with water healed more quickly and

without scars.

Many of us brought back to the U.S. news of this simple and miraculous method for emergency treatment of severe burns, but few doctors adopted it in preference to more sophisticated therapy.

Now Dr. Harvey Kravitz of Northwestern University, Evanston, Ill., prompted by a survey in one typical A-

merican community which showed that nearly 85 per cent of its population did not know what to do for burns, is urging a nationwide campaign of education as to the correct first aid treatment.

The recommended procedure is to plunge the affected area, no matter how extensive, into cold or ice water, or apply cold or ice compresses continuously for at least 30 minutes. The water cuts off the air that flows so painfully over nerves exposed when layers of protective skin have been burned away. It also restores fluid to the desiccated area, and the cold reduces the fever in the burn. Usually, no blisters appear and the secondary infections seldom develop.

COMPUTER DIAGNOSIS -- A medical center in Rockford, Ill., has programmed a computer to aid in identifying mental disorders by comparing a given patient's pattern of symptoms with stored descriptions of disorders. The computer rattles off three possible diagnoses.

OBSCURER THREAT -- The metabolic acidosis which invariably occurs with near-drowning is usually more severe than the lack of oxygen and must be treated immediately with sodium bicarbonate, says Dr. Shahed Hasan of Mt. Sinai Hospital, Miami, where rescue teams are trained. Otherwise, the patient may die even though breathing is restored.

INTERNAL BATTERY -- Dr. Kenneth B. Lewis of Johns Hopkins, Baltimore, is developing a battery for implanted heart pacemakers that can be recharged without removal from the body. Recharging is via a magnetic induction coil placed against the skin.

PRICE OF PROGRESS -- Teeth of the Igloodik and Hall Beach Eskimos of Northwestern Canada are deteriorating as a result of introduction of modern foods, according to Dr. John T. Mayhall of the University of Chicago.

Could You Eat Egg And Shell? Tiny Snake Can

Copyright 1970
World Book Science Service

Did you ever try to put a raw egg in your mouth, shell and all? Even if your friends say you have a big mouth, you probably can't do it. But

Pill Can't Regulate Population

World Book Science Service

People who think overpopulation can be controlled by birth control pills and family planning are in grave error, according to Prof. Kingsley Davis of the University of California at Berkeley.

Davis maintains that information about birth control methods is available to people all over the world, including the most backward nations. If women wanted to prevent births they could do so, he says. Women have babies because they want to, and it is a mistake to assume that they would reject motherhood if they could, says the director of International Population and Urban Research.

To stem the tide of rising births, Davis insists that women must be given opportunities outside the home so they can seek personal fulfillment through other means than child rearing.

there's a skinny little snake in Africa that can.

The snake might not choke on whole eggs, but it would choke on its own name -- *Dasyatis scabra*. It's only about as thick as your thumb, and usually less than three feet long. But it likes raw eggs, and it swallows them whole.

First, the egg-eater inspects the egg with its tongue to be sure it's fresh. Then it opens its mouth and slowly moves over the egg. The snake's throat is surrounded by expandable ridges of skin which stretch tight as the large egg enters. But the egg doesn't break until it reaches the gullet, the short tube leading to the stomach.

The gullet is specially equipped with a crushing device. A row of bony projections point downward from the backbone, and when certain muscles contract these bones crush the egg.

Then a series of other muscles begin to contract in waves, from the front of the snake toward the back. These contractions squeeze the liquid portion of the egg into the snake's stomach. Once all the liquid has been squeezed out, the snake spits out the shell, looks around for a nice cool, dark place to rest, and may spend up to three weeks of lazy living before it needs another egg.

If you would like to see what the egg-eater looks like with an egg in its gullet, connect the dots on the picture.

George Manikas
answers your
insurance Questions

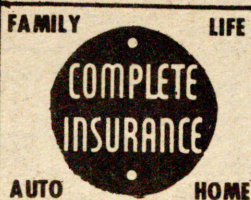

QUESTION:

A neighbor kept a horse in his yard over night and it got out and into our yard where it did a lot of damage. The neighbor says his insurance will take care of everything. What kind of insurance is this?

ANSWER:

There are several forms of insurance which would handle that situation but probably refers to Comprehensive Personal Liability which covers him for acts of any animals in his care and control.

OPINION PAGE

Hazardous Crossing

The Rock Island Lines and the Illinois Commerce Commission should be petitioned to establish safety devices at the Hamilton St. crossing in Mokena.

The crossing, now unguarded, should have gates and flasher lights. Should the safety poobahs, who should know about such things, say the gates are not necessary, there should be standards erected with flasher lights and bells to signal the approach of trains.

As it is now, the angle of the railroad right of way and roadway make it necessary for the driver of an automobile to crane, stretch and look backward to ascertain if a train is approaching. The bad feature of this is that a motorist has to get out on the tracks in order to obtain a good view. They could be too late.

Last year a car was hit coming over the tracks from Francis Rd. The driver, a woman, was injured. On Jan. 19, two young women, also coming off of Francis Rd., were seriously injured when the car in which they were riding was struck by a freight train.

On Jan. 2 a train was flagged to a halt by police before it reached a car that had stalled on the crossing. Gates, flashers, or bells wouldn't have made any difference in that case as the car became stalled minutes before any warning signal would have been activated.

However, it is a bad crossing and should not be left unguarded. Sometimes conditions there worsened by the habit of the railroad to use one of the tracks, usually the one along the north side of the right-of-way, as a side track or parking space for freight cars not in use.

With box cars blocking the view of the crossing, it is something like playing Russian roulette. Last Tuesday morning, the morning after a serious accident, the crossing was free of freight cars, and really it looked quite strange.

A couple of years ago there was about a mile of cars, heaped with large metal pipe, that for five weeks stretched out west from just a short distance west of Wolf Rd.

Naturally, the railroad did not block Hamilton St. crossing all that time. While we are late in expressing our gratitude for such consideration, we endeavor to make amends at this time by saying "thank you."

Should crossing guards be erected at Hamilton St., it might cost around \$40,000, with the state, county, township and railroad sharing the expense, it was said. The crossing is outside the village so Mokena itself would not be drawn into it legally. But it is so close to the municipality that it would be a nice gesture if the village added to the pot.

It would be nice if guards are put up before someone is killed on this crossing.

We fully realize that gates and flashers will not save lives if people pay no attention to them when they are operating. Just recently witnesses to a car-train crash said the lights were flashing and the gates were down but the driver drove around the gate and into the path of the train.

Safety devices don't help some people but they have saved a lot of lives. Protecting the Hamilton St. crossing may save some lives. If it saved one life it would be worth the price of the gates and lights.

HIT BY TRAIN on Hamilton Rd. crossing at Mokena is the auto in which the passenger, Jackie Ferro, Arbury Hills, was injured seriously. The driver, Deborah Deems, escaped with cuts and bruises and released from the hospital last Thursday. (GRAPHIC Photo)

LETTERS TO THE EDITOR

Editor:

I wish to take this opportunity to thank you and the Southwest Graphic newspaper for printing my letters. Your newspaper deserves a lot of praise and I think your news coverage is terrific. I look forward to reading it each week.

On Wednesday, Jan. 14, I read the article on page 3 entitled "Guth Fence Will Remain." As of this writing, Jan. 20, we (the Guth's) have not received any official notice that the case has been dismissed.

Before going to court for the second time on Dec. 18, 1969, we were required to post a cash bond of \$25. The judge in the case was going to dismiss the case on Dec. 18, on the grounds that the fence ordinance did not apply to our fence. The opposing attorney asked that the case be postponed until a later date.

I don't know where this attorney (according to the article) succeeded in getting the case dismissed. Our good lawyer, Albert Krusemark Jr., had already requested the case to be dismissed. Thru no fault of ours, we had to engage attorney Krusemark Jr. to defend us in court. I feel that we should be reimbursed for our attorney's fee and also our \$25 cash bond be returned to us. I feel that the fee should be paid by the board members and not out of Frankfort Village funds. After all, the residents of Frankfort should not have to pay for the foolish actions of the board.

I was sorry I could not attend the meeting on Monday about the "propose Frankfort load limits." I would like to voice my reaction to the article on the front page of the Jan. 14 issue. It seems that the concern is only for White Street, Center Road and Nebraska Street. What about the side

"Under his maxi-policies he's wearing a mini-program."

Opposition Invited

Another date has been set for the District 205 referendum which will, once again, ask voters to approve an Educational Fund tax increase of 52 cents per \$100 evaluation, and a \$7.9 million bonding program.

Defeat of this referendum of Dec. 16, 1969 reflected the opinion of those opposed to contributing any further financial support for the education of their children.

Only one precinct voted to approve the referendum in its entirety. The Central High School precinct showed an amazing indifference to the needs of their children's schools. Almost 73 per cent of the votes cast were against the building program, and almost a 70 per cent "nay" vote was tallied on the Educational Fund increase.

If any of those opposed to the referendum have an alternative solution they are invited to attend the next meeting of the District 205 Board on Jan. 29 at 8 p.m. in West High School. William Brill, president of the board, has promised a factual answer to any and all questions posed.

Anyone unwilling to present their alternatives to the forthcoming referendum proposals should have no reason to vote against continuing the education of our local youth. It goes without saying that everyone concerned would be delighted with an acceptable alternative to increased spending.

The cold hard facts indicate that all of us have contributed to the spiralling costs of education. Construction workers command tidy weekly paychecks, as do teachers, book publishers, furniture manufacturers, heating contractors, policemen, firemen, bus makers and all the myriad contributors to the initial and day to day operation of our schools.

The majority of school districts have borrowed all the money allowed by law and must now depend upon increased taxes, bonding programs and hope for some maintenance of the status quo. When wages go up, so does the cost of services and products and we must expect and endorse the added costs tacked on to education.

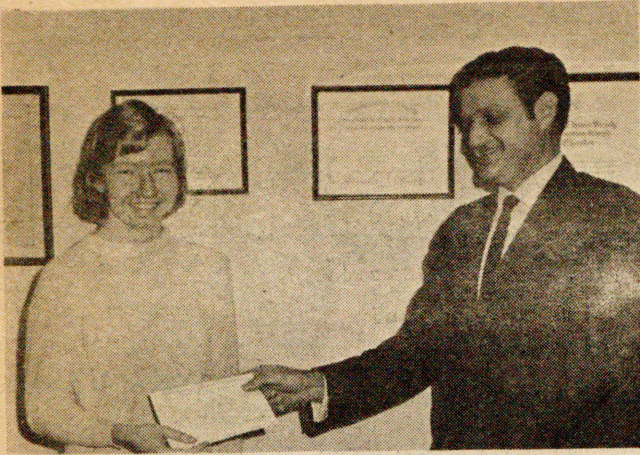

Through successful referendums and a responsible management program we will continue to have schools to which we may look with pride. Without the necessary resources our schools will deteriorate and all will suffer, but most of all we will be depriving the students of the chance for the best education possible -- an education which will prepare them for their place in society.

Much will be learned at the Jan. 29 meeting of the board and it will be interesting to see just how many of the "no" voters come forth with suitable answers to the problems of District 205.

LETTERS TO THE EDITOR

from readers of the Southwest Graphic are welcomed. Letters exceeding 300 words cannot be accepted because of space limitations. Unsigned letters will not be published. All letters must be the original copy and must be signed, but the name of the writer will be withheld from publication if requested. The Southwest Graphic reserves the right to edit or reject letters to comply with these limitations.

Score Another Forensic Win

JOHN PEDRONI, assistant superintendent at Lemont High School, presents **Judy Ciasto**, daughter of Mr. and Mrs. John Ciasto of 414 Illinois St., her certificate of merit from the National Merit Scholarship Test. Judy scored in the top two per cent of all high school seniors nationwide.

LOCKPORT -- Lockport Central - East entered the DesPlaines Valley Forensic League Tournament Saturday, Jan. 10, held at Morton West High School. All speakers participated in three rounds, except radio and extempore speakers, who entered two rounds.

In after-dinner speaking **John Mandeville** received three second places and became the second place over-all winner. **Nancy Hamilton** was third place over-all winner in the novice division. **Nancy** also entered prose.

Steve Pope received first,

fourth, and third ratings in original monologue.

Ivella Kerwin received three second place ratings to be second place over-all winner in prose reading in the novice division. She also had two first place ratings in comedy in the junior varsity division.

Vanessa Washington placed second, third and fourth in oratorical declamation in the novice division.

Cheryl Angus, first and second places in serious reading in junior varsity.

Kathy Baxa won fourth and fifth ratings in prose at the

junior varsity level. **Jim Swanson** received a first place rating in radio in junior varsity and was a third place over-all winner.

In the junior varsity level of oratorical declamation, **Carole Ahern** received a first and third rating; **Cheryl Angus** received two firsts and a third place to be the over-all third place winner.

Marilyn Siebert won a first, second, and third place and was the second over-all winner in the junior varsity

level of original oration.

The students were coached by Mrs. Lillian Misius at Central and Mrs. Mary Kerwin at East. Teachers who went as judges were Linda Hemmer, East High; Terry Gemmell from East-Central; Dennis Porick from East-Central; and Miss Nancy Thomas, a former speech contestant.

Student timekeepers were Rick Rutter, Bob Barajas, Toni Pennington and Mark Stapinski.

GUTH Continued From Page 6

streets? Especially all the overweight tanker trucks using Pacific and Maple streets as an all day and all night truck route. I have been told that the truck firm is going out of business in a year. But "what year?" It is now four years since I first heard that story.

Sorry to say, I did not live in Frankfort at the time our village board gave this firm the right to use residential streets as a truck route. You can be sure I would have objected to it. I am surprised that apparently no one did. I have been told, at that time the trucks were smaller and that after the firm received the O.K. they brought in all the double sized tanker trucks. Again, no one objected, in spite of the fact that these trucks are ruining our side streets with all the weight they are carrying. The residents of Frankfort have to pay the repair bills and the trucks keep enjoying the use of our streets.

Our corner of Maple and Pacific streets is a very dangerous one. The turn itself is short and the trucks swing to the other side of the street to make the turn. I keep thinking that maybe one will hit a tree and then the village will wake up and do something about this bad situation. I don't have any pre-school age children, but my neighbors do and I see these children riding their bikes on the streets and around this corner and it scares me to know that these children are too little to realize what danger they are in. I think it is time that the residents of Frankfort wake up and take an interest in what is going on in our town. If you don't agree with something, come out and say it to the board, not to each other. After all, you elected the men of your choice, so let them hear from you so that we can have a better Frankfort.

Yours truly,
Mrs. Marie Guth
253 S. Maple Street
Frankfort

HELP Continued From Page 6

morrow night) at the Lockport West High School auditorium I challenge you and your constituency to substantiate your excuses.

An open forum will be conducted beginning about 8 p.m. Each group -- its leader or representative -- will be allowed five minutes of time to voice or air any opinion relating to the high school and its difficulties.

I promise a clear and concise answer will be rendered to all questions. We will tell it like it is and expect the same courtesy from your spokesman.

We are not asking you to make a decision for us, nor are we asking you to make it easy for us. We are asking you to share your burden of responsibility in our difficulties and help us find a way to bring the Lockport High School back from the brink of disaster.

Two excuses that are not acceptable to this invitation are political expediency or failure to participate. Your absence will be conspicuous.

Thanking you,
W. L. Brill
President

Lockport High School Board

(Note: Copies of this letter have been sent to every known club, society, organization, group and affiliate; political or otherwise.)

Debate Unit Is Winning

LEMONT -- Travel throughout the region to build a record of successes marked activities of the Lemont High School debate team on Jan. 16 and 17.

On Saturday the novices traveled to Lyons where they obtained a 3-5 record. Debbie Duras and Melody Bourland defeated Proviso East and lost by only 1 point to Downers Grove North. They received a total of 64 points as a team. Ron Fick and Chris Hull defeated Glenbard West and Reavis, receiving a team total of 81 points.

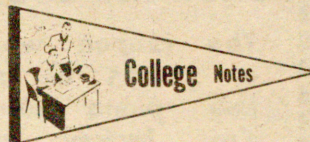

The varsity team attended the Augustana College Invitational Debate Tournament Jan. 16 and 17 in Rock Island.

Margo Anderson and Anne Galati achieved a 3-3 record. They defeated Bettendorf, MaComb and Proviso West. In speaker's points, Margo and Anne did an excellent job. Margo achieved a total of 114 points and Anne received 122 points.

Joan Bossert and Judy Ciasto came out with a 4-2 record. They defeated Franklin Center, J.D. Darnell High School, Muscatine (Iowa) and Crystal Lake. The only school they lost to was Freeport. In one round they tied in points, and in another they lost by only 3 points.

A win in either round could have put them in the semi-final rounds and given them at least fourth place out of 100 schools. They also did very well in speaker's points. Judy received 135 points and Joan 141, only 9 points away from a speaker's award.

Some of the top schools in the state of Illinois and Iowa attended the tournament at Augustana. The Lemont debate teams had an excellent overall record of 7 wins and 5 losses.

LEMONT -- Among 14 seniors receiving bachelor of arts degrees at a December mid-term commencement convocation was **John P. Schomig**, son of Mr. and Mrs. J. P. Schomig, 725 Singer St. He received a B. A. in sociology from St. Procopius College, Lisle.

LOCKPORT -- **Robin Reuther** of Lockport was one of 30 members of the freshman football squad at Illinois State University who received a football numeral.

AIC LEE E. STEINBRENNER, son of Mr. and Mrs. Walter Steinbrenner, 13-47 N. Cedar Road, New Lenox, has earned a place on the honor roll in the automatic tracking radar repairman course. To achieve this honor, a student must maintain a high overall average and must make superior grades on two consecutive blocks of instruction.

TECHNICAL SERGEANT ROBERT D. DRALLE, son of Mr. and Mrs. Milton Dralle of 151st Street, Lockport, is a member of a unit that has earned the USAF Outstanding Unit Award. Sgt. Dralle, an air armament technician in the 4780th Air Defense Wing at Perrin AFB, Tex., will wear the distinctive service ribbon to mark his affiliation with the wing.

Frankfort Insures Village Employees

FRANKFORT -- A health and welfare plan and a vacation schedule for Frankfort village employees has been adopted by the board. It is retroactive to Jan. 1, 1970.

The vacation and sick leave pay for part time employees is prorated on percentage compared to full time workers.

Employees are entitled to 10 sick days per year, but they are not accumulative. Employees will also be allowed three days in the event of a death in their immediate family.

Two weeks paid vacation will be given those who have worked a year; three weeks for those with 10 years' service, and four weeks for those who have been in the employ of the village for 15 years or over.

The village has taken out hospitalization insurance, also insurance covering death, accidental death or dismemberment. In both categories the policy is for \$5,000. The policy also provides payment of \$65 a week for 26 weeks in the event of disability.

The village is paying the premiums for the coverage of employees. Employees will pay the premium if they choose to have coverage for members of their families. They will also be entitled to the basic medical, and the major medical benefits listed.

Airport Opponents Ask Meet

HOMER -- A special meeting of the Homer Town Board has been requested to allow reassessment of a resolution opposing an airport in Homer Township.

A resolution passed by the town board in 1967, opposing the airport in Homer Township, has reportedly been endorsed by Jerome Paddock, newly appointed township supervisor. Paddock presented the resolution to the Will County Board of Supervisors on Jan. 21.

LEMONT LIONS hosted children from the Lemont area at a Christmas party Dec. 20. Movies were shown, refreshments were served, and Santa Claus presented gifts to the youths. Involved in the festivities were these youths above as they await the start of the movie in the meeting room of Lemont High School. Excess candy and presents were given to the Joseph P. Kennedy School and the Guardian Angel Orphanage.

(GRAPHIC Photo)

Priest's Senate Elects

ROMEOVILLE -- At a recent meeting of the Joliet Diocesan Senate of Priests, new officers of the Senate were elected by the membership. The Rev. James Ratigan of St. Andrew's parish, Romeoville, is the newly elected secretary.

The Rev. Joseph Burns,

pastor of Immaculate Conception parish in Braidwood, was re-elected for another two-year term as president; the Rev. Edward Poff of St. Joseph parish, Downers Grove, was re-elected treasurer. The Rev. William O'Shea of St. Michael's parish, Wheaton, was elected vice president of the group.

**LAURA LEE
PETERSON**

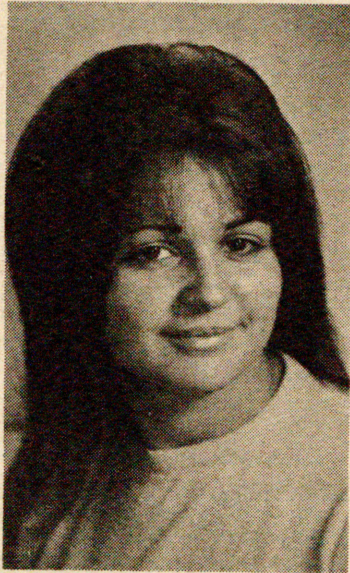

Mr. and Mrs. Leroy Peterson, RR No. 1, Anderson Road, New Lenox, announce the engagement of their daughter, Laura Lee, to James Frederick Swieringa, son of Mr. and Mrs. Casey Swieringa, 10333 Ave., Chicago. Miss Peterson is a graduate of Lincoln-Way High School and a former resident of Mokena.

Miss Vaughn's Engagement Announced

LINCOLN ESTATES -- Mr. and Mrs. J.C. Vaughn, former residents of Lincoln Estates who are now living in Winter Haven, Florida, have announced the engagement of their daughter, LaDonna Kay Vaughn, to Mr. Rickie A. Colen, son of Mr. and Mrs. Harold C. Colen of Miamisburg, Ohio.

Rich spent most of his childhood in the West Indies, where his father was stationed as a missionary. The wedding will be Feb. 21.

**CAROL ANN
JURMANN**

Mr. and Mrs. Henry F. Jurmann of Route 1, Lemont, announce the engagement and the approaching marriage of their daughter, Carol Ann, to Guy Allan Mueller, the son of Mr. and Mrs. Leonard Mueller of Lemont. The wedding and reception will be July 11 at the hall, community of Fairview, in Downers Grove.

**JANINE
DRISCOLL**

Mr. and Mrs. Patrick Driscoll of Lemont announce the engagement and forthcoming marriage of their daughter, Janine, to Raymond Michalek, son of Mr. and Mrs. Michael Michalek of Lemont. Miss Driscoll is a graduate of Lemont Township High School and is presently employed at Continental Distilling Sales Co., Lemont. Mr. Michalek is also a Lemont High School graduate. He is employed at Argonne National Laboratory. The wedding will be May 23 at St. Patrick Church.

Miss Lucas' Engagement Announced

LOCKPORT -- Mr. and Mrs. Richard P. Lucas, Jr., of Lockport, have announced the engagement of their daughter, Lynn, to Mr. Keith Manning, son of Mr. and Mrs. John J. Manning of Orland Park. Miss Lucas is currently employed by United Airlines. Mr. Manning will receive his degree in psychology from Illinois State University in June. An August wedding is planned.

Planning Now For Summer

LEMONT -- Although it's winter and still very cold, the Girl Scout leaders of Lemont are making plans for the annual Day Camp, which is in the middle of summer, reports Joyce Affelt.

Day camp dates will be June 23, 24 and 25, and June 30, July 1 and 2. The Forest Preserve site has not been approved yet.

Director for the camp will be Sally Smolen, who has the position for the second year. Her assistant will be Alice Ricken.

Girl Scout Birthday Week is March 8 through 14. All Lemont Troop leaders will help their girls plan a program to celebrate the event at the Teen Club.

Final plans for this program will be discussed at a Feb. 9 meeting. It will be at the home of Mrs. William Ramsey of Creekwood, representing Troop 380.

**GEORGIA JEAN
KUBECK**

Mr. and Mrs. Stephen Kubeck, 80th Avenue, Frankfort, announce the engagement of their daughter, Georgia Jean to Frank Michael Kramarz, son of Mr. and Mrs. Frank J. Kramarz, 4511 East 139th Street, Cleveland, Ohio. Miss Kubeck is a 1967 graduate of Lincoln-Way High School and is presently working as a secretary for Park Forest Savings and Loan Association. Mr. Kramarz is a 1967 graduate of Benedictine High School and is presently serving in the United States Navy in Chelsea, Mass. A November wedding is planned. (Behnke Photo)

Mr. and Mrs. Robert Vander Woude of 14771 Mission Ave., Oak Forest, announce the engagement and approaching marriage of their daughter Carol to Mr. William A. Albrecht, son of Mr. and Mrs. William Albrecht of 115th and Archer, Lemont. The couple will be married on Feb. 14, Valentine's Day, at the Tinley Park Reformed Church, 16-530 Ridgeland Ave. Miss Vander Woude has taught art for the past three years at Lemont High School and Lemont Grade School. She is a graduate of Western Illinois University. Mr. Albrecht is a graduate of Texas Western University.

Corporal and Mrs. Gary Dean Phipps, 131st St. and Derby Road, Lemont, a girl, Jan. 15.

Bolingbrook Will Have B&PW Club

LOCKPORT -- The Lockport Business and Professional Women's Club met Wednesday, Jan. 21, at the Blue Willow.

Gloria Bode, president, announced the formation of a B&PW Club in Bolingbrook, which will meet

Wednesday, Jan. 28. Members who wish to attend this meeting will be notified of the time and place.

Jan Snyders, membership chairman, introduced four new members: Pat Balasa, Welcome Wagon hostess for the Lockport-Lemont

area; Dorothy Kehlenback, music teacher at St. Joseph School in Lockport; Toni LaPointe, programmer at Personal Products Company in Wilmington; and Judy Wunderlich, a self-employed ceramics instructor.

Program chairman and first vice-president, Dale Genseal, introduced George J. Young, an advisor for the Co-operative Extension Service of the University of Illinois. His topic was safety in the home, especially accidental poisoning.

THE LINCOLN-WAY GIRLS' GLEE CLUB, under the direction of Randolph F. Kummer, will appear on WTTW - Channel 11 on Sunday, Feb. 1 as the featured choir on the Sunday Evening Club program, televised in color from 6 to 7 o'clock. The Girls Glee Club will present two religious works on the program, "Tenebrae factae sunt" by Palestrina and "The Gate of Heaven" by the American composer Randall Thompson. Featured speaker will be John E. Hines, Presiding Bishop of the Episcopal Church, New York. On Feb. 10, the pub-

lic is invited to attend the annual Mid-Winter Concert in the Lincoln-Way High School Auditorium. This year's concert, titled "Knight Showcase," will feature both the Girls Glee Club and Singing Knights in a program ranging from traditional choral works to contemporary pop and show tunes. Concert time is 8 p.m. with tickets available now from any Girls Glee Club or Singing Knights member, or at the door.

Recites Nuptial Vows In Iowa

LOCKPORT -- Miss Lyn-da Starr recited nuptial vows Dec. 13, to become the bride of William Johnson in a double ring ceremony at the Central Lutheran Church in Des Moines, Iowa. The Reverend Kearny Frantsen officiated. Two brass candelabra covered with greens adorned the altar.

The bride is the daughter of Mr. and Mrs. Lester W. Starr, 147th Street, Lockport. The groom is the son of Mr. and Mrs. Donald T. Johnson of Des Moines, Iowa.

Given in marriage by her father, the bride wore a floorlength gown of white bridal satin with full sleeves of medallion lace. Her train length mantilla veil was edged in identical lace. Her bouquet was of white pom-pom mums and an heirloom handkerchief.

Miss Debbie Host of Des Moines, Iowa, maid of honor, wore a floor length gown of chocolate brown satin trimmed in antique white lace. The bridesmaids, Mrs. Kenneth Manley of Des Moines, Mrs. David Rathke

Mr. and Mrs. William Johnson

of Rockford, Illinois, and Miss Sharon Corgiat of Dayton, Ohio, were clad in dresses identical to that of the maid of honor. Each carried yellow football mums centered with a lighted candle. Misses Mary Ann

and Lora Jane Cravenor of Lockport, flowergirls, were identically dressed in short white velvet dresses and carried brown velvet muffs.

David Johnson of Iowa City, brother of the groom, was best man. Pete Barto-

lomucci of Peoria, Greg Guyler of La Grange, and Kim Garbett of Des Moines were the groomsmen. Ushers were Jerry Lindsay of Macomb, Tom Beverly of Joliet, and Dave Merrill and Alan Norgaard, both of Des Moines.

For her daughter's wedding, Mrs. Starr selected a coat and dress ensemble of a v o c a d o wool and silk trimmed in fur. Mrs. Johnson chose a dress and jacket ensemble in mint green wool and silk edged with sequins. Each mother wore a color coordinated corsage of cymbidium orchids.

The reception dinner - dance was held in the Savery Hotel Ballroom, with Miss Nancy Kays of Rockton, Illinois, at the guest book and Miss Barbara Bork of Chicago in charge of seating the guests.

The couple will live at 460 N.W. Hoffman Lane in Des Moines. Both Mr. and Mrs. Johnson are seniors at Drake University, where she is majoring in elementary education, and he in pharmacy.

Lochner-Witowski Vows Said

LOCKPORT -- Miss Linda Louise Lochner became the bride of Kevin D. Witowski in a double ring ceremony at 7 p.m. November 29. The Rev. Robert Wegehof officiated at the candlelight service held at the Good Shepherd Evangelical Lutheran Church.

The bride is the daughter of Mr. and Mrs. Francis S. Lochner, 742 Geneva, Lockport, and the groom is the son of Mrs. Kathy Witowski, 148 Cypress Lane, Boling-

brook.

Given in marriage by her father, the bride wore a

traditional full bouffant gown of white lace edged in crystalite. She wore a single

strand of pearls and carried a white carnation and natural orchid cascade bouquet.

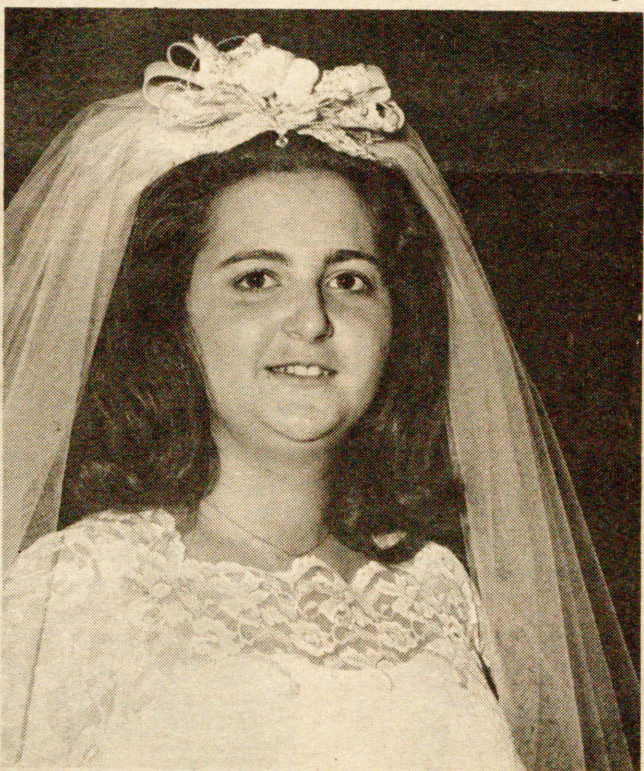

The maid of honor, Miss Joanne Kerschbaum, wore a plum colored gown, which accented the royal blue floor length gowns worn by the bridesmaid, Miss Carol Neubauer and the flower girl, Nancy Wirtz.

The attendants wore white chapel length veils with a crown of single pearls, and carried white muffs with a single orchid. The flower girl carried lavender pom poms.

Kenneth Witowski served as best man, and Richard Witowski served as groomsman. The ushers were Tom Murray and Robert Luscombe.

Following the ceremony, a buffet dinner was served in the Burgandy Room at D'Amico's 214, Joliet.

After a honeymoon trip, the couple returned to Carbondale where both are students at Southern Illinois University.

Mrs. Kevin D. Witowski

Bring An Elephant To Coffee

LOCKPORT -- Mrs. Willard Anderson will be the hostess for a White Elephant Coffee, planned for Thursday, Feb. 5, between the hours of 10 a.m. and 2 p.m., at her home.

The coffee is being held in connection with the upcoming Lockport Woman's Club 3rd annual Antique Show and Sale. All members of the club will be contacted and urged to bring a white elephant, to be used in the club's booth at the show, in exchange for coffee and cookies.

Mrs. Anderson will be assisted by Mrs. F.J. Miller, Mrs. James Reif, Mrs. Eugene Korst, Mrs. Robert Bryant, Mrs. Richard Jacobson, and Mrs. K. E. Ratcliffe.

The Antique Show and Sale will be held March 7 and 8 at Lockport East High School, and will feature dealers from various parts of the state.

Tour, Tell New Officers

SOUTHWEST -- Division 2 of the Licensed Practical Nurses organization recently toured Mercyville Hospital, Aurora, according to Mrs. Margaret Harney, Division 2 president. Sister Joan Marie acted as guide. Another tour will be Feb. 17 in Chicago.

At a meeting following, an officer election was conducted.

Advisor will be Mrs. Florence Thompson, R.N. and coordinator for the LPN's, of Joliet Township High School.

Mrs. Margaret Haney is president; Mrs. Emma Dayton, first vice president; James Monroe, second vice president; Mrs. Ruth Teal, secretary; and Mrs. Birgitha Hunsley, treasurer.

Standing committee chairmen are Mrs. Margaret Wilhelm, education; Mrs. Geneva Beard, finance; Mrs. Virginia Lenke, legislation; Mrs. Thelma Boysaw, mem-

bership; Mrs. Rudy Selby, Mrs. Mildred Law and Mrs. Geneva Beard, nominating; Mrs. Emma Dayton, program; Mrs. Margaret Harney, public relations; Mrs. Birgitha Hunsley, historian; Mrs. Emma Dayton and Mrs. Bertha Clauss, chairman, ways and means; Mrs. Ruby Selby, sunshine; and Mrs. Dana Schram, general economics and welfare. Serving on the board are Mrs. Virginia Lenke, Mrs. Bertha Clauss and Mrs. Thelma Meredith.

There will be a tour at the University of Illinois at the Medical Center on Tuesday, Feb. 17. The morning tour begins at 9:30 a.m. The tours, which are free of cost, begin with a 20 minute film about the campus and last about two hours. The tour will be on University of Illinois Hospital and Nursing.

University of Illinois is located next door to the Cook County Hospital.

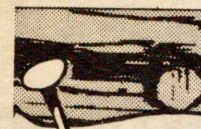

Meet at Chicago Illini Union building. Take Ogden Ave. to Polk St., to 828 South Wolcott Ave. with parking across the street. You can get ticket from the building Illini for parking.

Name Deputy Clerk

FRANKFORT -- Mrs. Leona Batson, who has been serving as an assistant to Village Clerk Walter Pfaff and as secretary at the meetings of the village board, has been appointed deputy village clerk of Frankfort.

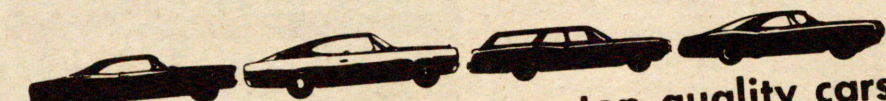

The appointment was made by Village Clerk Pfaff, according to statute, and confirmed by the mayor and trustees.

Under the law a deputy clerk acts for a village clerk when, or if, he should be absent or incapacitated.

PICNICS - BANQUETS - WEDDINGS - PARTIES

THE RIVIERA LAKE CLUB at 143rd St. and 88th Ct., Orland Park, Ill., now features a large banquet hall that will accommodate up to 1000 people for weddings, graduations and luaus, as well as small rooms for conferences, showers, luncheons, etc. Complete kitchen facilities and catering service is available.

For more informal affairs for industry and business, there are both indoor and outdoor picnic facilities available. The beautiful indoor swimming pool will be available both winter and summer. A ten acre lake, well stocked with a variety of fish, is also at your disposal.

We know the Riviera Lake Club facilities will be a unique experience and urge that you consider this concept when planning future business and social affairs, also picnics.

Riviera Lake Club is now open for business. For further information call Mrs. DeWit at 349-2100.

Lost: One Conductor And 7 Cars Of Commuters

BY GLENN LOGAN

MOKENA -- Seasoned commuters are a hardy lot. They swelter in the summer when the air conditioning fails to work, as it sometimes does, and they freeze in the winter, if and when the heating system sometimes fails to compensate for bone chilling draughts and ice covered windows. They know that snow storms and rain storms cause trains to run late. They know that for no reason at all trains run late.

They know too that any explanation as to when they are not at their appointed tasks on time will probably be greeted with a skeptical look by bosses so they usually shrug, mutter, "late," and gain the safety of their desks. The desks don't shudder, rock, pitch, or roll. A nice change of pace.

Too bad that office managers take the attitude some do on commuters woes. Last Thursday, for instance, was quite a day on the Rock Island commuter train that leaves Mokena at 6:59 in the morning.

There were 13 cars. There was a conductor at the front end but the coaches at the back end were without one. He had been left behind at Joliet. That was what the passengers learned and that there was substance to the information was evidenced by the fact that no one was collecting tickets in the rear coaches.

The train sped along, making good time, despite the loss of an important member of the crew.

Englewood is no longer a stop for commuter trains plying between Joliet and Chicago but last Thursday morning the passengers in the last seven cars stopped there.

"The train stopped suddenly," one of the commuters related afterwards. "There was a loud noise, quite a jolt, and then silence."

The passengers, accustomed to noises and jolts, thought nothing of it. They just thought that perhaps a train ahead, or something else on the tracks, had caused the sudden stop. For all they

knew the train might have been flagged so the Shah of Iran and retinue could get aboard, altho they did not think this likely as the Shah of Iran is not given to take early morning trains.

Whatever it was, they thought, the train will start up again and what are we going to tell them at the office this time.

After sitting for 10 minutes one of the more wakeful commuters got off to investigate. In less than a minute he was back again.

"If we want to get to Chicago," he addressed his fellow passengers, "we had best get out and flag another

train. This part of the train we were on isn't going anywhere. The engineer lost us, just like he did the conductor."

And it was true. The couplings had parted between the sixth and seventh coaches, and the front section had disappeared into the Chicago

murk, the engine crew apparently unaware of a light-load.

The stranded commuters did succeed in flagging a later train and finally reached their places of business. Late again and with a wonderful reason -- but who would ever believe it.

What's AHEAD

Help The Teens

LEMONT -- You can help support the Lemont Teen Club by taking advantage of an evening of dining and dancing offered by the club boosters. The annual dinner and dance -- with all revenue supporting operation of the teen club -- is Feb. 7 at the Silver Lake Country Club near Orland Park. Dinner is at 7 p.m. and the Buddy Everett Orchestra will entertain. Reservations must be made by Feb. 2. Call 257-2106. Tickets are \$6 per person.

Winter Fantasy

LOCKPORT -- The St. Dennis and St. Joseph Band Parents are sponsoring a Winter Fantasy Dance, Jan. 31, at the Moose Hall from 10 p.m. to 1 a.m. Buddy Everett and his orchestra will play. A donation of \$1 per person may be paid at the door. Door prizes will be given and cocktail hour will begin at 8:30 p.m.

Remember G.I.s

LEMONT -- Time is running out as the Feb. 1 deadline for names of Lemont servicemen nears. The VFW Auxiliary 5819 is planning to send servicemen in Viet Nam a Gift Pac for Valentine's Day. Full names and military addresses of local boys are asked to be sent to VFW Auxiliary, c/o Sally Roth, New Ave., Lemont, not later than Feb. 1.

Choir To Sing, Travel

New Lenox -- The Lincoln-Way Community High School A Cappella Choir will be on tour Jan. 30 and 31. Concerts will be given at Morris Community High School, Lowpoint-Washburn High School, and Eureka College on Friday.

On Saturday, the choir will travel to Illinois State University at Bloomington to participate in the annual choral clinic. Twelve high school choirs from all over the state will participate on that day.

Classes Filling

LEMONT -- Enrollments in some adult education classes for the spring semester at Lemont Township High School are rapidly filling. You should register as soon as possible. Remaining registration periods are weekdays until Jan. 30 between 9 a.m. and 4 p.m. and on Saturday, Jan. 31, from 9:30 a.m. to 11:30 a.m. at the high school office. You can get additional information by calling 257-6172.

Meet Mr. Gilfrump

LOCKPORT -- The Lockport Township library story hour will be held Saturday, Jan. 31 at 10 a.m. at the Main Library and at 1 p.m.

at the Crest Hill branch.

One of the stories to be read is "The Adventures of Mr. Gilfrump." On Valentine's Day, Feb. 14, the film "Doughnuts" will be shown along with the story hour.

Smorgasbord

LEMONT -- A Smorgasbord Luncheon will be held on Tuesday, Feb. 10, in the St. Alphonsus Parish Hall on State St., Lemont. Ladies of the parish will serve their specialties continuously from 11:30 a.m. to 1:30 p.m. with a "fast line" reserved for businessmen and women. Tickets, at \$1.50 each, can be obtained from members of the Altar and Rosary Society or by calling 257-2610. No tickets will be sold at the door.

Higher Tuition

LOCKPORT -- Tuition at Lewis College will be increased next year, Brother Paul French, F.S.C., Lewis president, has announced. One-year tuition charges are now \$1,100 and will be

increased to \$1,350 in June.

The combination of inflation, increased student services and new educational programs made the increase to students and parents.

Rummage Now

LEMONT -- The Women's Society of the Lemont United Methodist Church will have a mid-winter rummage sale on Friday, Feb. 6 in the church basement at 308 Lemont St. Clothing and household articles will be on sale from 9 a.m. to 7 p.m. Persons wishing to donate may take articles to the church or call 257-6312 or 739-7913.

Refresher For R.N.'s

SOUTHWEST -- Silver Cross Hospital will offer a Graduate Refresher Nurse Course in late February to encourage R.N.'s who have left the field to raise a family or pursue other interests, to return to active nursing.

Registered nurses will receive a complete program in

all fields of nursing and receive a stipend during their training.

For information, interested nurses may contact Mrs. Naomi Corsini, director of inservice education, at 727-1711, ext. 765.

Lockport Soloists

SOUTHWEST -- The Chicago Downtown Library will present the Metropolitan Youth Symphony Orchestra members on Saturday, Jan. 31, at 12:15 p.m. Soloists and a string ensemble from the membership of the orchestra will perform.

Two Lockport students will give solo presentations. They are Lana Ordman, flautist and Sharon Brandolino, bassonist. The concert is free and open to the public.

All About Abe

WILL COUNTY -- Prize money totaling \$175 will be offered by the Will County Republican Central Committee as part of its Fifth annual Lincoln Day Essay Contest.

PEOPLE MAKE THE NEWS

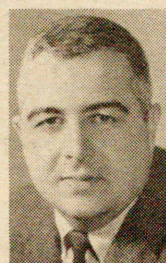

Will County contingent at annual Illinois State Farm Bureau -- Future Farmers of America conference held at Bloomington included Paul Schmaedeke of Frankfort.

Richard Hray, Lockport, was one of more than 250 Future Farmers of America leaders from Illinois high schools attending the annual Farm Bureau - FFA conference in Bloomington - Normal recently.

Ward Bentley, son of the late LeForest Bentley, Lockport, has been named executive director of the American College of Preventive Medicine. He specializes in medical administration. In 1959, Bentley married the former Vie Von Thom. The couple, with their daughter, VieVette and son Brigham, reside in Radnor, Penn.

Ronald W. Backhus, Mokena, has been named an associate with Fitch Larocca Carington Jones, architects - planners, 351 E. Ohio, Chicago. He received his BA in architecture from the University of Illinois in 1955. Backhus and his wife Virginia live with their five children on W. Brigelway Dr.

A New Lenox youth, Frank B. Holt, 334 Sunset Trail, has been commissioned second lieutenant in the U.S. Air Force Reserve. He is a Lincoln-Way High School graduate now attending Southern Illinois University at Carbondale.

Brian L. Cann, of Frankfort, has been named a Watne Feeds territory salesman in Allied Mills' Wisconsin sales region. He will be working in northeastern Illinois. Cann is a graduate of Circle Campus. U. of I. He is a veteran of the U.S. Air Force and a member of the American Shorthorn Association and the American Marketing Association.

Brother Daniel McMullan, F.S.C., former principal of Providence High School, New Lenox, has been named assistant to the president at Lewis College for college development. While principal at Providence, Brother Daniel directed a successful fund drive to keep the school operating. He has a BS and a master of arts degree.

East 'Polar Bears' Jog -- No Matter How Cold

LOCKPORT -- Parents who stopped by Lockport East High School to pick up their children during the sub-zero weather of early January were surprised to find members of the faculty and the student body jogging around the school parking lot. . . apparently oblivious to the bitter cold. The visitors may also have noted that half these hardy joggers were girls.

These fleet-footed pedestrians had not taken leave of their senses; they are members of the newly formed Lockport Central-East Polar Bear Club. This organization, the inspiration of Lockport East's own "Papa Bear," science teacher Bill Jackson, extends membership to any student or faculty member interested in improving physical fitness and conditioning.

Club members are encouraged to run on Tuesdays and Thursdays at East High. However, they may run at any time or any place, so long as they keep a log of miles run. These logs are turned over to the club sponsors, Bill Jackson and Dennis Porick, English and speech teacher at Central-East.

To qualify as "Polar Bears," members must meet certain minimum requirements: they must run at least three miles per week from Nov. 13 through March 15. Members are issued a list of suggestions for cold-weather running, and there has been no indication that they suffer colds or sickness as a result of their participation in the program.

There are additional special groups for members, each with its own requirements. "Baby Bears" run twice a week, averaging three miles per run; "Papa Bears" run three times a week, averaging a total of 12 miles each week; and "Monster Bears" run four times a week, with a weekly average of 18 miles.

Two students, Lex Hahn and Mark Pieper, had logged over 100 miles before Christmas.

THE LOCKPORT CENTRAL-EAST POLAR BEARS are from left, front row: Carol Stapinski, Karen Dzak, Janet Hostert, Debbie Egly, Nancy Dzak, Pam Ignacek, and Margie Lajcin. Second row: Bill Jackson (sponsor), John Vruels, Mark Rutter, Brenda Kijowski, Kathy Peerman, Bette Adelman,

Janet Steidl, Pat Benson, Joan Pastere, Elise Dorman, Norma Guess, and Dennis Porick, (sponsor). Third row: Lex Hahn, Bob Baxter, Brian Birch, Susan Young, Mark Piper, Bob Kuta, Tom Kelm, Karen Yaap and Bill Kelm.

Central Wins Easily

LOCKPORT -- Lockport Central picked up an easy win Friday night with a 64-47 trouncing of the Joliet East contingent. Central charged to the fore with a 22-10 first period lead and coasted for the remainder of the game.

In winning their 14th game of the season, against three losses, the Porters also chalked up a 3-1 record in Illini-Eight competition.

Lockport Central (36)	Bates 12, Smith 11, Saunders 1, Thompson 4, Travis 4, Herrod 2, Carli 2.			
Joliet East (25)	Richardson 7, Ammons 4, Heintz 1, Kittle 5, Jones 2, Munson 6.			

Clarence Bates led all scorers with 21 points and also took rebounding honors with 12. Billy Thompson, the Porters aggressive center, tallied 17 points.

In the opening minutes of the game the Porters took a 10-0 lead as the Kingsmen were generous with the turnovers. The Porters then permitted the foe a few points to make the game interesting. This generosity inspired the Kingsmen at the foul line where they sank 15 of 19 attempts while the Porters managed 10 of 13 shots.

Lockport was held to a 12-12 draw in the second period and a 11-11 draw in the final period. Coach Bob Basarich was of the opinion that his squad played a

Marseilles Jolts Lemont 64-6; Rating Is Periled

By RUSS SANDBERG

LEMONT -- Lemont High's hopes of a high level birth in the varsity Northeast Conference standings were given a jolt last Friday evening. Marseilles downed Lemont 64-6.

The Indians, who earlier in the season had gained a top-heavy 78-51 verdict at Marseilles, now have their league mark stabilized at 4-4. The overall reading stands at 9-8.

Meanwhile, Dwight High, a team which doesn't appear on form to be a power-laden group, has run up a commanding record of 8-0 in Northeast Conference play. They're not spectacular, but they do win.

Coach John Jones' team which of late has been playing at a one-game per week rate, is now faced with a stepped up schedule of away engagements.

Over the weekend, Lemont will travel to Sandwich on Friday, Jan. 30, and then to league-leading Dwight on Saturday, Jan. 31. Non conference foe Mokenca High then hosts the locals on Tuesday evening, Feb. 3. Preliminary frosh-soph action gets underway at 6:30 p.m. on each occasion.

After 17 games, Lemont has the unenviable distinction of holding an overwhelming 315-258 "edge" in the personal foul department. On several occasions, Lemont has outshot opponents from the floor, only to lose out at the free throw line.

This is exactly what happened in the recent loss to Marseilles. Lemont popped in 29 field goals as compared to the Panthers total of 25,

but Marseilles was called for only 6 infractions, while Lemont's total reached 15.

The ensuing 22-7 free throw attempt ratio more than compensated for Lemont's edge from the floor. The Panthers connected on 14 of 22, while the Injuns were mustering 3 for 7.

From a total point disparity standpoint, there was very little to choose between either club last Friday evening, as the going was close at each quarter break.

Lemont maintained edges of 12-11 and 29-27, but at the third period juncture, Lemont trailed by a narrow 45-43 margin. The game could have gone either way

in the fourth stanza, but the Panthers held on for what to them must have been a very satisfying triumph.

For Lemont, it was another bitter loss.

Junior forward Steve Pociask was Lemont's top point getter against Marseilles, popping in a total of 17 counters. Dave Staudt, Mike Heinz and Dennis Bubinas hit for 11, 10 and 9 points respectively.

A pair of 6 shooters were Mike Hennebry and Don Nelson, with Pierce Spencer adding an additional 2 pointer. The Panthers Tony Groomas took game scoring honors with a 23 point output.

In the preliminary frosh-soph encounter, Lemont remained in the running for top Northeastern Conference honors by coming through with a spine tingling 56-54 win over the Marseilles yearlings.

This was a measure of revenge in reverse, for the Panthers had previously defeated the locals 54-51. The Injuns are now 6-2 in the conference and 9-5 overall.

Coach Bob Voss' club had to stage a stirring comeback in order to gain the objective, for they trailed 21-9 at the first quarter mark, and still were behind 32-33 at the intermission break.

A big third period push succeeded in knotting the contest at 39-39.

Frank Basco and Roger Weber set the scoring pace with identical 13 point readings. Jim Weck added 10 markers, while Bill Benda, Al Bromberek and John Dunn hit for 6, 6 and 4 points respectively.

Parade At Show

SOUTHWEST -- Chicago's annual Sportsmen's Show coming up Feb. 6 through 15 at the International Amphitheater will be a record-breaker in virtually every phase of presentation, according to Tom Durant, producer.

The exhibits of boats, trailers, recreational vehicles, travel and resorts, fishing tackle, camping equipment, hunting gear and other facets of outdoors life total the most in the show's long history.

The center arena is where Parade of Outdoors Champions, the stage-water spectacle with John Bromfield, "Mr. Sportsman," as master of ceremonies, will be presented once opening night and twice daily thereafter.

YOUNG LOVE OR MORAL SUPPORT? The reason's below-freezing weather didn't discourage these skaters photographed at Dellwood Park. Skaters of all ages and sizes enjoy the ice, which is lighted at night, and open daily, weather permitting. Other Lockport Park District rinks are in operation at the Chaney Athletic Field and at Richland Park.

(GRAPHIC Photo)

Spartans Now 8-8 In Year

LOCKPORT -- It was a non-conference victory, but Coach Bill Parmentier couldn't have been happier as his Spartans downed Carl Sandburg 65-60 last Saturday night before a capacity crowd.

Ralph Papesh was the standout star as the 6-3 forward dumped in 29 points and led in rebounds with 15. Rick Colombo had 13 points and Bob Coyne was in the doubles with 11 points.

The Spartans showed amazing accuracy at the free throw line as they sunk 27 of 37 shots for a .729 mark and therein lies the victory. At the end of the first period the Spartans were down by two, but came back to a 35-32 halftime lead going on to win by five, and an 8-8 season record.

Lockport West crosses town to play Central next Saturday night.

Hurricane Gladys
NEW YORK -- Only one hurricane -- Gladys -- hit the United States in 1968, says the Insurance Information Institute. The storm, which hit Florida in October, caused \$2.58 million insured damage.

CADET THOMAS D. CHALLENGER son of Mr. and Mrs. John D. Challenger of Lockport, was awarded a major "K" as a member of the high school football team at Kemper Military School and College, Boonville, Mo.

Matmen Win 2

LOCKPORT -- Two wins in as many days were chalked up by Lockport Central wrestlers. Coach Bill Zimmer's squad downed Joliet East, 37-9, Friday night and then defeated Oswego by a 23-21 margin on Saturday.

Brian Hollister pinned Barry Carpenter (98 lbs.) in 5:05 during the Oswego win. The Porters' second pin victory in the Oswego meet came in the 145 lb. class as Terry Lewis pinned Ken Piercen in 3:03.

Results in Oswego matches: Walker Sago (Lockport), defeated Paul Eberhard in the 107 lb. class; Jerry Turley beat Jerry Pranga, 2-1; Tom Calhoun downed Jack Schultz 7-0; Clyde Wisk and Jeff Probst tied as did Guy Martens and Kurt Moyer. Oswego's team scored as follows: Steve Holley beat John Sago, 5-2; Kip Johansen downed Dave Kuban, 9-0; Bob Felton pinned Larry Lewis in 4:46; Bill Bland beat Jim Loukas, 6-1, and Tim Clawson won over John Popek.

Knights Tap Mustangs In SWS Play, 81 to 57

EVERGREEN PARK -- Lincoln-Way won its fifth conference basketball game here last Friday night, defeating the Mustangs 81 to 57 in a fine combination of offensive and defensive play.

The Knights will play at Bremen this Friday in another SWS encounter.

Meanwhile, Homewood - Flossmoor which appears to be title bound, knocked off Carl Sandburg last Friday, 76 to 60.

Lincoln-Way has lost three conference games to date and is practically out of the running for the championship.

The Knights started strong against the Mustangs and finished up the same way. The Evergreens had more height on the floor but their aim was off while that of the Lincoln-Way marksmen was quite sharp. Their percentage from the floor was 52 plus and a team shooting in that fashion is difficult to beat.

Evergreen Park was only nine points behind at the end of the first half, 36 to 27, but the third and fourth quarters saw Lincoln-Way tally 22 and 22 points respectively while the Mustangs were counting 10 and 20.

Friedman, of the losers, was high man for the night with 24 points while Terry Ryan of the victors had 18. Minger, Webb, Palka and Istel also counted in double figures.

With a little over two and one half minutes to go Coach Tom Lewis was substituting freely.

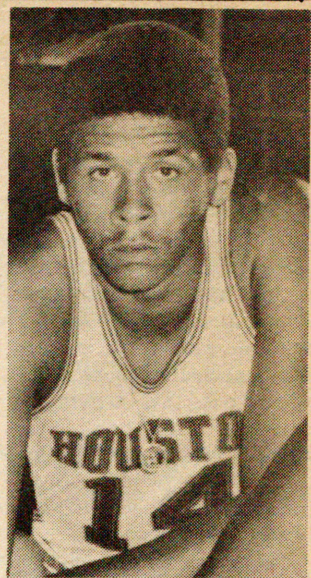

The L-W frosh-soph team lost, 48-46.

JEFF HICKMAN, former Lockport Central basketball star, is one of four Illinois students who have figured prominently in the University of Houston's comeback into the top ten this season, according to a recent release from the university. Jeff, currently a sophomore, is a starter, with a 12.8 scoring average.

String Of 4 Broken

LEMONT -- With a four-meet string under its belt, Lemont High fell to a superior Yorkville High squad recently.

Coach Al Albrecht's squad had previously disposed of Lisle, Plano, Moosehart and Peotone, before getting cut up by the Foxes.

Since the Yorkville engagement, Lemont has defeated Quigley South 34-18, but in their last outing at Marseilles, the Panthers emerged victorious 29-19.

After 13 matches, the Indians sport a successful 7-6 record, which if carried through the remainder of the campaign, will give Lemont its first winning record in the history of this sport.

The path ahead will not exactly be strewn with fragrant petals however, for 2 of Lemont's more able performers, Ken Hutchinson (137 lbs.) and Terry Dau-

hauer (130 lbs.) have been sidelined via the injury route.

Filling in for these 2 top competitors have been Ed Walera and Bob Ungerer. Other stalwarts performing on the mat are Ray Baxter and Rich Hancasky (98 lbs.), Tony Galati (107 lbs.), Dan Festin (115 lbs.), Mike Yeoman (123 lbs.), Scott Barnett (145 lbs.), Jim Etzkorn (155 lbs.), Dwayne Slayton (165 lbs.), Mark Sniegowski (175 lbs.), Jim Mattas (185 lbs.) and Harry Zarn (heavyweight).

The locals can be seen in action at Sandwich High on Thursday, Jan. 29. Lemont also travels to Quigley South on Tuesday, Feb. 3.

In the Joliet East matches: Brian Hollister pinned Rich Nieland in 1:48; John Sago, Jim Loukas, Clyde Wisk and John Popek won by forfeit. Fred Williams defeated Bill Ross, 6-4; Jerry Turley won over Calvin Crudup, 6-3; Calhoun beat Kent Garrett, 9-1, and Terry Lewis beat Larry Bowman, 3-2.

Joliet East won with John Titre over Walker Sago, 9-5; Travis Crudup 7-5 over Jerry Lewis, and Tim Salonis beat Guy Martens, 5-3.

1st Aid Is Taken At Mobil

FRANKFORT -- Shift supervisors and lead personnel of Mobil Chemical Company recently completed the standard Red Cross first-aid training course conducted at the Frankfort plant.

Instructors were Mrs. Goldie Gray and Mr. George Farmer, both Mobil employees and certified first-aid instructors.

Farmer, First-Aid coordinator for the Mobil Chemical plant, presented each of the graduates with a Red Cross certificate at ceremonies held at the plant. He commended Mobil Chemical for providing the training facilities and course material.

Attending the course were W. Mancke, M. Gill, H. Lough, B. Clark, P. Harris, H. Mulligan, B. Brown, P. Lamble, L. Bruck, E. Kuse, H. Roney.

Fire Auxiliary Meeting Is Set

By Laura Anderson
Telephone 838-4839

The Homer Volunteer Fire Department Auxiliary will meet Monday Feb. 2 at the fire station on Cedar Road, at 8 p.m. Plans will be discussed concerning the annual rummage sale. A social hour with games and prizes will follow the business session. Hostesses for the evening are Catherine Scheller and Norma Shepherd. . .

New officers of the Homer Congregational Church were installed Sunday at the church. They are Mod-

erator, George Anderson; Deacons, Jerome Paddock, George Anderson and Charles Juneman; Deacon-

Homer

ess, Eloise Anderson; Trustee, Robert Burch; Finance Committee, Edna Cagwin and Jack Hollister; Treasurer, George Milton; Clerk, Evelyn Burcham; Sunday School Supt., Ann Scott; and Music Committee, Judy Anderson, Anna Burch, Zella Davis, Faye Hallis, and Stuart Scott. . .

The Missionary Society of Homer Congregational Church will meet January 29 at 1 p.m. Mrs. Anna Burch will be in charge of the devotions. The hostess is Mrs. Evelyn Burcham. . .

The Senior Youth Group of Homer Congregational Church held an ice skating party Sunday at Dellwood Park. After skating, the group returned to the home of Frank Milne and Agnes Crockett for refreshments. . .

The Homer Jr. ESCONI Club met Saturday in the multi-purpose room at Homer District 33-C School

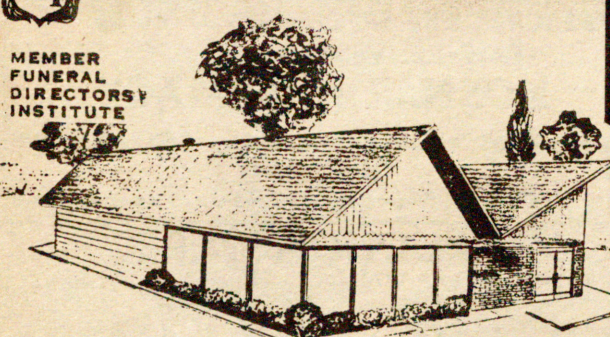

with 35 students and seven adults present. Mrs. Fran Wolfe of Park Forest was the guest speaker. She spoke on "Fossils" and told where they are found, how they are preserved, and who collects them and why. Mrs. Wolfe illustrated her talk with colored pictures. She displayed her own large collection and explained them. Mrs. Wolfe and her husband began their fossil collection only five years ago. . .

Stanley Liens won the door prize, a fossil, donated by Mr. and Mrs. Luther Schilling. There will be no February meeting. The next meeting will be held March 14. . . The Twelfth annual "Sweethearts Dance" sponsored by the Homer Volunteer Fire Department will be held February 7 at the V.F.W. Hall, Lockport from 9 p.m. to 1 a.m. The music for the dance will be furnished by Woody Cagwin and his Orchestra. Tickets are \$1 and may be purchased from the firemen. There will be door prizes. All profits will be used to benefit the fire department. . .

Cold Weather Fires
NEW YORK -- Fire losses usually are higher in the winter than any other time of the year, says the Insurance Information Institute. Although other factors are involved, this is a result mainly of heating hazards.

LINCOLN HIGHWAY JUST EAST OF ROUTE 45

OBITUARIES

Robert James Kettman
of 817 State St., Lemont, died at his home Jan. 17 at the age of 64 following an illness of five years. He retired from the Pure Oil Co., Lemont refinery in 1964. His wife, Margaret, nee Shaw-Hermesdorf, died Dec. 3, 1969. Mr. Kettman is survived by a son and daughter-in-law, Albert and Lois Chmielewski Kettman, and two grandchildren, Albert and Rebecca Kettman. He was preceded in death by his parents, the late Joseph and Margaret Ehrfeld Kettman, and a sister, Louise Kettman. Before having worked for Pure Oil, he was engaged in agriculture for many years. Mr. Kettman was born in Lemont and was a life-long member of St. Alphonsus Church. Services were from the Gerharz Funeral Home to the church on Jan. 20. Interment was in the church cemetery.

Mary Dorothy Bresson
64 years old of Townline Road, Mokena, died Jan. 19, at Silver Cross Hospital after a lingering illness. She was born on Sept. 7, 1904 at West Brooklyn, Ill. and was a school teacher. She had been a resident of Mokena for the past two years. Surviving are four sisters, Mrs. Eva Fillis of Geneva, Ill.; Mrs. Jeff Kemper of West Brooklyn, Ill.; Mrs. Dwight Bayne of Smithland, Ia. and Mrs. Walter Stowe of Mesa, Ariz.; two brothers, Leslie of Compton, Ill. and Dr. Amel of Cincinnati, Ohio. Funeral services were held at Frankfort Community Chapel on Jan. 23. Mr. C. McDowell of the World Wide Church of God officiated. Burial was in Ashton Cemetery at Ashton, Ill.

Anna Marie Verback
died on Jan. 21 at the age of 81 after a lingering illness. She was a resident of the Mother Therese Home, Lemont, for the past six months, and previously had lived for two years at the home of William Haller, her son-in-law after moving from Chicago. Mrs. Verback came to America from Czechoslovakia at an early age and lived in the Lemont area for most of her life. She was a member of the Royal Neighbors of America. Survivors are a son, Anthony Verback of Chicago; sisters, Mary Cracik of Chicago, Mathilda Schmitz of Lemont and the late Julia Zezulka of Lemont. Deceased are two children, Anna Haller of Lemont and Stephen Verback of Chicago. She was the grandmother of three. Services were Jan. 23 from the Gerharz Funeral Home to St. Alphonsus Church where the Rev. Julian Grinis offered a funeral mass. Interment was in the church cemetery.

Henry A. Johnson
formerly of 320 E. 18th St., Lockport, died at the age of 93 on Jan. 17, at the Salem Home for the Aged. Mr. Johnson is survived by three daughters: Mrs. Richard (Lone) Gustafson of Joliet; Mrs. Robert (Madeline) Lyon of Cleveland, Ohio; and Mrs. Anthony (Dorothy) Hirner of Lockport; two sons, Lester H. of Lockport and Willard L. of Taft, California; a sister, Mrs. Herman (Esther) Sandgren of Joliet and a twin brother, Herman, of Lockport; 16 grandchildren and 19 great grandchildren. Services were held Jan. 20, at the Goodale Funeral Home in Lockport, with the Rev. Paul Johns officiating. Interment was in the Lockport City Cemetery.

Celia Cowal
68 years old of Hillside Road, Lincoln Estates, Ill., died at Silver Cross Hospital on Jan. 21. She

Surprise Nursery Shower Given Sharon Norton

Charlotte Lewis
Telephone 532-5526
Mrs. Sharon Horton was the guest of honor at a surprise nursery shower on Jan. 16. It was at the home of Mrs. Sarah Cobb. A variety of games were played and

Tinley Gardens

prizes were won by Mrs. Judy Head, Mrs. Karen Ludwig and Mrs. Diane

Shuman. The guest of honor received many beautiful and useful gifts. Refreshments were served by the hostesses, Mrs. Veda Armour, Mrs. Sarah Cobb and Mrs. Judy Head...

PFC Dick Morlan, son of

Mrs. Elsa Delihaney of Ethyl Lane will be leaving Vietnam on Jan. 27. We all wish him a safe journey and God's speed home...

We are sorry to report that two members of our community have been hurt

recently in falls. Howard Thacker broke several ribs and Hershel Woods broke his knee-cap. A speedy recovery to both...

Chuck Motes has returned home from Montgomery, Ala., where he was with his

mother while she underwent surgery...

The annual Sweetheart Dinner will be Saturday, Feb. 7. To make reservations, call Sarah Cobb or Judy Head...

What makes the electric self-cleaning oven so cool?

It's a six-sided story.

Insulation is the secret. Only the *electric* self-cleaning oven is insulated on *all six sides*. So the heat stays *inside*.

Your kitchen stays cooler, whether the oven is baking a cake, or cleaning itself. And because heat and moisture stay in, meats come out juicier; cakes more moist.

Baking or broiling is faster, too, because less pre-heating is needed.

But the electric self-cleaning oven story doesn't stop at six-sided insulation. The electric kind is also more thorough. Why, it even cleans its own broiler!

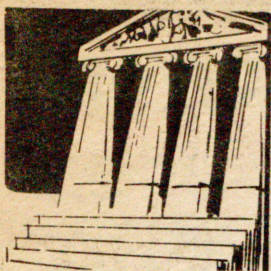

Cool kitchens have an electric self-cleaning oven.

How about yours?

NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held on the 18th day of February, 1970, at the hour of 8:00 P.M. before the zoning Board of Appeals of the Village of Frankfort in the council room of the Frankfort Village Hall for the following purpose:

1. To consider the advisability of adopting amendments to Section Sixteen, Required Yard Areas, of Ordinance No. 476, the Official Zoning Ordinance of the Village of Frankfort, so that the following section, to be known as Section Sixteen E, will be added thereto, said Section to read as follows:

"Section Sixteen E - Required Yard Areas in B-1 Zones, B-2 Zones, I-1 Zones, I-2 Zones and Special Use Zones.

In all B-1, B-2, I-1, I-2, and Special Use Zones, the minimum setbacks and side yards are required:

(1) A 50-foot setback of all principal and accessory buildings from the front property line. The first 25 feet of the setback immediately adjacent to the street is to be used only for landscaping and to provide a means of ingress and egress. The second 25 feet may be used for parking and the display of goods for sale, signs and means of ingress and egress.

(2) A minimum of 10 feet shall be allowed for a side yard.

(3) Twenty per cent of the total area of such property must be allowed as a rear yard.

(4) Where any of the aforesaid zones border a residential zone, minimum side yards of 20 feet must be maintained.

(5) Where any of the aforesaid zones border a residential zone, fencing must be provided along all common boundaries so as to shield the residential zone from the B-1, B-2, I-1, I-2 and/or Special Use Zone(s).

(6) The provisions of Sub-sections (1), (2), (3) and (4) above do not apply to the property adjacent to White Street south of the Michigan Central tracks and Nebraska Street, Kansas Street between White Street and Walnut Street, Ash Street between Kansas and Nebraska and Nebraska Street between the intersection of Nebraska, White Street and Center Road to Walnut Street.", at which time and place any persons interested may be heard.

ZONING BOARD OF APPEALS OF THE VILLAGE OF FRANKFORT

By: Charles McManimen, Secretary

Published by GRAPHIC NEWSPAPERS January 28, 1970

NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held on the 18th day of February, 1970, at the hour of 8:00 P.M. before the Zoning Board of Appeals of the Village of Frankfort in the council room of the Frankfort Village Hall for the following Purposes:

1. To consider the advisability of adopting amendments to Ordinance No. 476, the Official Zoning Ordinance of the Village of Frankfort, so that:

A. So that Section Ten, B-1 Zone Retail Business, sub-section (2) shall be amended to read as follows:

Section Ten, B-1 Zone, Retail Business.

(2). Advertising signs and billboards as herein defined and as herein permitted pursuant to the terms of Section 38 hereof.

B. So that a new section, to be entitled "Section Thirty-Eight" be added to said Zoning Ordinance, said section to read as follows:

Section Thirty-Eight, Advertising and Signs.

(a) A building permit must be obtained prior to the time any sign is erected, is attached to or placed upon any building or is printed upon or painted onto any building.

(b) A permit fee in the amount of Five (\$5.00) Dollars must be paid prior to the issuance of any permit for the uses listed in Paragraph (a) above.

(c) No sign shall be painted upon or printed upon the front, rear, sides or roof of any building, excepting such signs as name the place of business, the type of business, the address of the building and/or the name of the owner or proprietor of such building or business.

(d) No sign shall be erected or attached to any building unless such sign is in conformity with the size, design and motif of all signs existing within the Village.

(e) No billboard sign shall be permanently erected within the Village and all building permits issued for the temporary erection of billboards shall limit the time for which such billboards may stand to a period not to exceed three (3) years.

(f) All advertising and signs not in conformity with the provisions of this Ordinance are hereby declared to be a nuisance, but may continue as a non-conforming uses under the provisions of this Ordinance; however, such non-conforming uses as declared herein must be abated within a period of three (3) years after the adoption of this amendment to this Ordinance and thereafter such advertising and/or signs are deemed to exist in violation of the terms of this Ordinance.

(g) Nothing contained in this amendment to this Ordinance shall limit the rights of persons to advertise their real estate for sale, their farm products for sale as permitted in R-2 zones or the advertising of or display of products in any window of any building, at which time and place any persons interested may be heard.

Notice is hereby given that a public hearing will be held on the 18th day of February, 1970, at the hour of 8:00 P.M. before the Zoning Board of Appeals of the Village of Frankfort in the council room of the Frankfort Village Hall for the following purpose:

1. To consider the advisability of adopting amendments to Ordinance No. 476, the Official Zoning Ordinance of the Village of Frankfort, Illinois, so that:

A. A new section, to be entitled "Section Thirty-Nine" be added to said Zoning Ordinance, said Section to read as follows:

"Section Thirty-Nine - Landscaping.

(a) A general landscaping plan must accompany all applications for building permits requested for the construction of new buildings.

(b) In R-1, R-1A and R-2 Zones, the landscaping plan must show what areas are to contain grass or other natural growth.

(c) In all zones other than R-1, R-1A and R-2, the landscaping plan must show all areas which will contain grass or other natural growth and the location of all trees, shrubbery and other natural growth.

(d) All areas designated for grass or other natural growth must be seeded or sodded as soon as possible after the completion of any building and all shrubs, trees and other natural growths must be seeded and/or planted as soon as possible after the completion of any building, but in no event shall such seeding, sodding and/or planting be delayed for a period in excess of one year after the completion of any building.

(e) Certificates of occupancy may issue for buildings prior to the time the landscaping requirements as provided for herein are satisfied; however, such certificates of occupancy shall state upon their face: "Landscaping not approved, approval required within one year of the date of this certificate".

(f) Minor alterations from the original landscaping plan may be made without obtaining prior approval from the Village; however, the amounts and location of land set aside for landscaping may not be reduced without the approval of the Zoning Officer.", at which time and place any persons interested may be heard.

NOTICE OF SPECIAL ELECTION

Township High School District Number 205,
Will County, Illinois

NOTICE is hereby given that on Saturday, the 14th day of February, 1970, a special election will be held in and for Township High School District Number 205, Will County, Illinois, for the purpose of voting upon the following propositions:

PROPOSITION I:

Shall the Board of Education of Township High School District Number 205, Will County, Illinois, construct and equip a school building on a site to be acquired or purchased in or near the Village of Bolingbrook, Will County, Illinois, construct and equip an addition to the Lockport East High School, now owned by the said District and located on the south side of Seventh Street between Farrell Road and Read Street; and construct and equip an addition to the Lockport West High School, now owned by the said District and located at the northwest corner of the junction of Taylor Road and U. S. Route No. 53, formerly Route 66 Alternate; and to pay the cost thereof, issue bonds of said District to the amount of Seven Million Nine Hundred Thousand (\$7,900,000.00) Dollars, said bonds to bear interest at the rate of not to exceed seven per cent (7%) per annum?

PROPOSITION II:

Shall the maximum annual tax rate for the educational fund of Township High School District Number 205, Will County, Illinois, be established at 1.44 per cent on the full, fair cash value of taxable property as equalized or assessed by The Department of Revenue instead of .92 percent, the maximum rate otherwise applicable to the next taxes to be extended for said purpose?

(a) The approximate amount of educational taxes extendible under the maximum rate now in force in said School District is \$2,181,981.81.

(b) The approximate amount of educational taxes extendible under the proposed increased rate is the sum of \$3,514,275.88.

That for the purpose of said election, said School District has been divided into six (6) election precincts, the boundaries of

each election precinct and the polling place designated within each election precinct being as follows:

ELECTION PRECINCT NUMBER 1

That part of High School District No. 205 lying East of the Chicago Sanitary and Ship Canal and South of Division Street.

Taft Grade School
17th and Washington Streets
Lockport, Illinois

ELECTION PRECINCT NUMBER 2

That part of High School District No. 205 lying East of the Chicago Sanitary and Ship Canal and lying North of Division Street and bounded on the North commencing at a point commencing with Thornton Road and said Canal thence Easterly along Thornton Road to its junction with Illinois State Highway Seven (7) thence Easterly along said Highway Seven (7) to the Easterly boundary of said district.

Lockport East High School
1200 East 7th Street
Lockport, Illinois

ELECTION PRECINCT NUMBER 3

That part of High School District No. 205 lying East of the Chicago Sanitary and Ship Canal and bounded on the South commencing at Thornton Road and said Canal thence Easterly along Thornton Road to its junction with Illinois State Highway Seven (7) thence Easterly along said Highway Seven (7) to the Easterly boundary of said district.

Ludwig Grade School
92 North State Street
Lockport, Illinois

ELECTION PRECINCT NUMBER 4

That part of High School District No. 205 lying West of the Chicago Sanitary and Ship Canal and South of Division Street.

Chaney School
1819 North Center Street
Crest Hill, Illinois

ELECTION PRECINCT NUMBER 5

That part of High School District No. 205 lying West of the Chicago Sanitary and Ship Canal and lying North of Division Street and South of Interstate Highway 55.

Lockport West High School
Route 53 and Taylor Road
Lockport Township
Will County, Illinois

ELECTION PRECINCT NUMBER 6

That part of High School District No. 205 lying West of the Chicago Sanitary and Ship Canal and North of Interstate Highway 55.

Northview Grade School
Briarcliff Road
Bolingbrook, Illinois

Voters must vote at the polling place designated for the election precinct within which they reside.

The polls at said election will be opened at twelve o'clock noon and will close at seven o'clock P.M. on the same day.

By order of the Board of Education of Township High School District Number 205, Will County, Illinois.

DATED this 21st day of January, 1970.

/s/ William Brill

President of the Board of
Education of Township High
School District Number 205,
Will County, Illinois.

/s/ Joan M. Straka

Secretary of the Board of
Education of Township High
School District Number 205,
Will County, Illinois.

NOTICE OF SPECIAL ELECTION

Notice is hereby given that on the 17th day of February, 1970, an election will be held at the polling place hereinafter mentioned in the Village of Mokena, Will County, Illinois, for the purpose of voting upon the following proposition:

Shall the ordinance passed by the Board of Trustees of the Village of Mokena, No. 585, on the 28th day of October, 1969, entitled "An Ordinance Authorizing Purchase of Real Estate for Public Purposes" which provides for the purchase of real estate in the Village of Mokena for use as a public mall at a cost of \$21,500.00, to be financed over a period of not more than twenty (20) years at a rate of interest not to exceed 6½%, become effective?

For the purpose of this election the corporate limits of the Village of Mokena shall constitute a single election precinct and the polling place therefore is as follows:

Village Hall
10940 Front Street
Mokena, Illinois

The polls will be opened at 6:00 o'clock A.M. and closed at 6:00 o'clock P.M. of the same day.

By Order of the Village Board of the Village of Mokena.

Dated this 28th day of January, 1970.

Will Tuttle
President

Alvin Sorensen
Village Clerk

We have earnest prospects for 2 and 3 bedroom homes in Joliet and surrounding area. City folks are thinking of getting "out" in Suburbia. Would you consider selling your home? Let us appraise your property and explain how you can sell it promptly at its full market value. WE TRADE and will consider buying it, if the price is right. James H. Davis, Realtor.
